EDITOR'S NOTE

It's About Time. We thought that it was about time that some changes were made to Heimskringla. A new cover, a new look, and a new attitude have enabled us to produce what we feel is the best yearbook Mendon has ever had. We hope you feel the same. A lot of time, patience and hard work was required, and nothing could have been accomplished without the dedication of the staff and the support of our advisor, Mrs. Flynn. As you flip through the pages of this book, remember all the good times you've had here at Mendon. We've tried to capture all the highlights of the year. Many old, classic features are still here, while others have been updated. Whatever the case, we were only trying to give you the best book possible. We like it, and we hope you do too. But there is always room for improvement, and the possibilities for next year's book are infinite. Some of us will still be here, while others will have gone on. To those of you who will be here, continue Mendon's best winning traditions. To the Class of 1988, best of luck in anything you should set out to do.

It's About Time

Another school year has come and gone at Mendon. Every person has his/her own memories that he will remember and cherish as time goes by. This year was not an ordinary year. It marked the graduation of Mendon's first ever freshman class. It showed a new consciousness on the part of Mendon students, raising thousands of dollars in the "Jar Wars" competition to benefit Henry Leo. The float competi-

tion was won by the Class of 1988 for an unprecedented third time in a row. Mendon pride was strong, and Mendon students excelled in all areas of their lives. The year was filled with good times and bad, and memories both happy and sad. But there will only be one 1988, and this yearbook will help save the memories from this time. As the book says, "It's About Time".

Time Well Spent

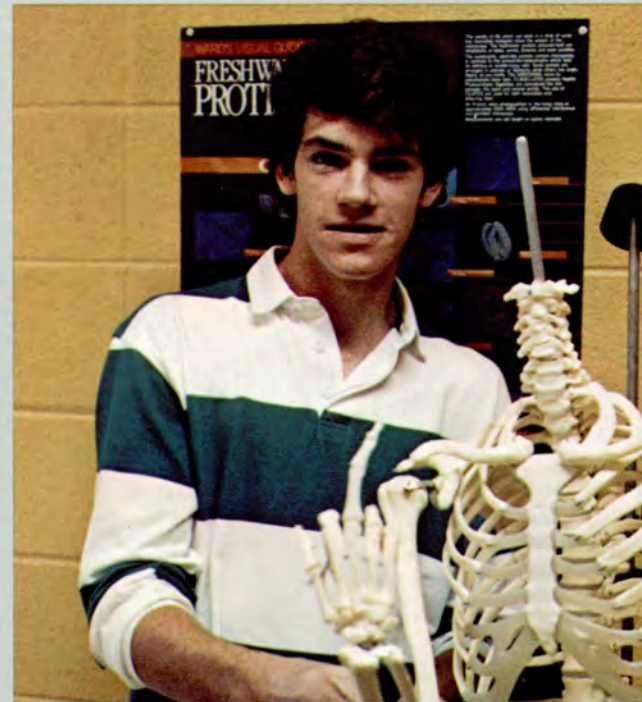

We all spend our time in many different ways. In addition to compositions and homework, there are various other things we do outside school. *Cold Shower* spend time rehearsing and playing concerts at Rochester's largest arenas, while on *Brainstormers* some of Mendon's brightest students show what they know.

The Student Council was busy counting pennies for "Jar Wars" and preparing for Homecoming back in September. Jar Wars netted thousands of dollars for Henry Leo, and Homecoming

was another rousing success.

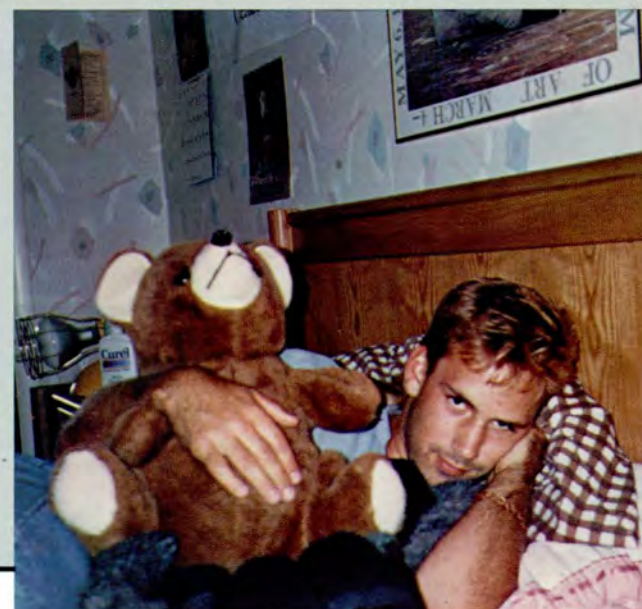

Time outside school is also spent at games, as spectators and players. The Girls Soccer team won Section V and made it to the Semi-finals in the State Tournament. Girls Swimming also won Section V.

After a lot of hard work inside school and out, Mendon students relax with friends and catch up on lost sleep. A weekend of rest or a weekend of partying brings a well deserved break from the pressures of school.

Close To Our Hearts A Time to Appreciate

Mrs. Anderson, we all would like to thank you for everything you have done for us during our four years here at Mendon. We feel you are very deserving of this Yearbook Dedication. Your time, patience, and care we received whenever we entered the Guidance Office will never be forgotten. You were always there to help us with the troubles that come with SATs and college applications. You always showed confidence in us and gave us words of encouragement. You were there to reassure us in times of trouble and worry. Your sunny

disposition could uplift our spirits whenever we were feeling down. You have not only supported us in school, but also at outside activities. We could always count on you being in the stands cheering us on in a big game. We see you as a good friend, and we will always remember you as we leave Mendon after four great years. We wish to thank you for all you have given us and Mendon. It is with a whole lot of love and appreciation that we, the Class of 1988, dedicate *Heimskringla* 1988 to you, Mrs. Ann Anderson.

AGE

OF 1988

Homecoming, the Holidays, the French Riviera and the excitement of London. Mendon students spend their time in school and out having a good time, not necessarily sticking to the boundaries of Pittsford in their search for rest and relaxation.

The Time Of Your Life STUDENT LIFE

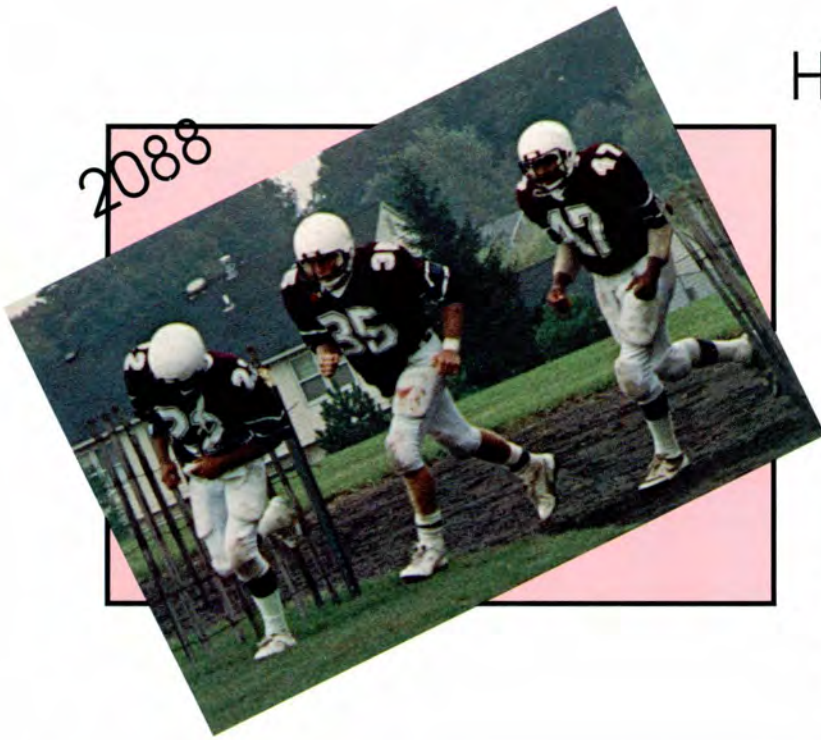

Student Life at Mendon is both exciting and busy. Preparations for European trips begin months ahead of time, as does preparation for each fall's Homecoming. The British Isles were visited by students back in April, while over the summer another group toured France. The Holiday Party is a highlight of the day before the holiday break, a good start to a festive and relaxing holiday season. In the following pages, you'll learn about Europe, school events, and what students do outside of school.

Homecoming in the year 2088??? No one thought it possible until a chilly Saturday in September fell upon Pittsford Mendon. The victorious football game was the focal point of the day. Victorious, however, is putting it mildly as we slammed Penfield off the field with a 24-0 final score. The floats this year included everything from the planet earth, a mass of balloons and crepe paper, a cardboard UFO, all the way to a jet-powered flintstone car, which grabbed another victory for the Senior class, their third in a row.

The chosen royalty prestigiously led the parade around the track, heightening the half-time celebrations. Balloons, bake sales, the band, beating Penfield, and every other word beginning with 'B', bounced in to round out a perfect homecoming day in the year 2088.

SPIRIT WEEK: Getting Set For 2088.

Several exciting events took place in the days leading up to the actual Homecoming football game. The student Council and Pep Club carefully planned the week's activities. Wednesday, September 16th turned Mendon High into a Beach Party. The highlight of the day was the dreaded arm wrestling contest during lunch. Thursday was supposedly Mendon's future dress-up day. Even though less than .01% of the students participated in the theme, spirits were high with a nauseating pie-eating contest during lunch, and the annual Jam Session featuring Cold Shower and George's Band.

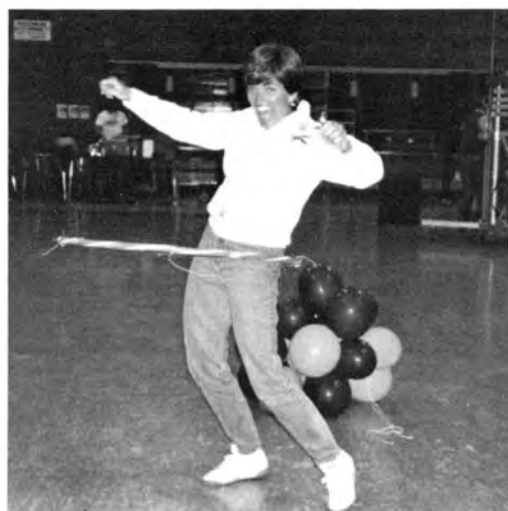

Friday was the traditional Maroon and Gold day, with the big Pep rally after school psyching everyone up for that night and Saturday's victory over Penfield. Friday night brought the wild float making spectacular in the commons, and the red hot bonfire (they usually are . . .) to end the evening.

The week's activities rounded down Saturday night with the annual yearbook sponsored Homecoming dance in the commons of Pittsford Mendon.

HOLIDAY Spirit

*'Twas two days before Christmas
and all through our school,
not a student was working
neither freshman nor fool.*

*Us kids, we felt sick
too much candy from our friends,
but hey, it was better
then that fruitcake Grandma sends.*

*Yet on into the Commons
Mendon's students did flock,
after their annual
Wednesday X-block.*

*And up on the stage
our Show Choir did swing,
then Besig got mad
and stopped the whole thing.*

*But look hey who's there!
Two Santas arrived,
a K.K. Chris Hill
with elves side by side.*

*And then there was Rick
a fat jolly old elf,
who jiggled up on stage
as the real Clause himself.*

*The true meaning of Christmas
we all then discovered,
as the eight names were picked
and the big gifts uncovered.*

*And the elves . . . Oh the elves
a true memory they'll all be,
those great Senior women
whose high hems . . . I could see.*

*Now with thoughts in our head
of elves, candy, and toys,
we moved to the commons
to rock with Pat and the boys.*

*The snacks they were great
The Coke it was free,
It's the real thing baby . . .
Merry Christmas to thee.*

Places to go!!!!

When the weekend hits, Mendonites hit the various hot spots of Rochester (that are unfortunately lukewarm anyways). We find romance, adventure, and comedy at the movies. Afterwards, if you haven't had enough over-salted popcorn, Micky D's has a tasty menu. On Friday nights, we cheer on our sports teams and sing special songs to our opponents (i.e. "hey, hey, hey, goodbye"). The C store is always open for thirsty spectators. On the occasions that we get a little extra cash, we head for malls and motels.

MENDON:

A Typical Day for Not-So-Typical People

Fran takes in a moonlight breakfast on her way to Mendon.

Locker stops are important in order to pick up books and check for messages.

Chad Brushnaber attempts his luck at Mrs. Baker's new Diet plan.

After his CPR goes awry, John Young practices a bi-lateral fetal decapitation.

Underclassmen always use their study hall time to its most potential.

It's 6:00 A.M., the alarm awakens, you don't. It's 7:30 and you realize the importance of a snooze alarm, you've overslept and the typical day has begun.

You finally reach Mendon after fumbling with your bus's safety belts for 20 minutes. Hoping for a detention to break the dull routine, you wander aimlessly about the Commons looking for your friends.

By lunch you realize you have none, but all is not lost because you're finally in the right place at the right time.

Lunch, however, is one of the least typical things at this school. Ranging from fish nuggets to chicken fritters with macaroni, the list of soy products is end-

less.

Afternoons at Mendon prove to be the longest, as the time 'til 2:08 is stretched to its limit. Hoping for a fire drill never seems to help much either. The only answer is the X-Block, an eighth period assembly has been announced and you're grateful for the chance to catch up on some sleep. Proving the true miracle of the fine arts, you awaken from your slumber only to realize 2:08 has arrived. That magical three-digit hour in your life is here and your time has been served. Now you go home, eat, do homework, sleep, and start the whole thing over again tomorrow.

"The best way to start the morning," according to Mary, "is by blasting the bass clarinet in band."

Beth and Megan are finding it more difficult to stay in the lines.

Proving that X-blocks are more than shortened classes, Wynny, Anni, Ann, and Chris settle down for a nap.

Steve Vitello waits patiently for Mom after serving his sentence.

Mendon's Blue Collar Force

If your boss cringes when you juggle a calculus book while manning a cash register, you are not alone. For various reasons, many students upon reaching the glorious age of sixteen, feel the need to pound the pavement in search of the perfect part-time job. Extra cash is one incentive to find employment. "Money makes the man," says Dan Cuffe. It's a good feeling to be able to buy tapes, clothes, or concert tickets with your hard earned money. Wendy Colfer's salary helped pay for a special trip to Vail, Colorado.

Unfortunately, most students receive only minimum wage — \$ 3.35 an hour. In fact, this is one of the reasons that Melissa Sturge quit. "I was over worked and under paid." Obviously, the salary is not always the major incentive. Wegmans offers its employees the chance to win an academic scholarship, something that keeps several students returning despite a growing urge to throw in the towel. If they stick it out, these working students gain invaluable experience along with their weekly pay checks.

European Vacations

Journey To France

Hijacking scares dashed the hopes for a French trip in the summer of 1986, but upon landing in Charles de Gaulle airport on June 28, 1987, sixteen students finally realized their long awaited plans. They transferred to Versailles, where these Pittsford teens were reunited with French friends, who had visited the States the previous summer for a ten-day homestay.

Bidding "Au revoir" to their host families, they spent three days exploring all the famous sites of Paris, including the Louvre and the Eiffel Tower. Then, the Mendonites took the TGV to Chamonix, a quaint town surrounded by spectacular mountain scenery. There, they walked inside a glacier, sunbathed on the same day, and later danced in the streets celebrating the eve of Bastille Day.

The next day was spent traveling south with Beatles' tunes, and arriving in Nice before the fireworks began. In the next few

days, they visited a perfumerie in Grasse, the palace of Monaco and a Roman temple in Nimes. The walled city of Avignon was the last stop before returning to Paris, and then home.

Their last moments together were spent wisely shopping for gifts and relaxing. Arriving back in Rochester on July 18, the Mendonites were a little poorer financially but immensely enriched by their cultural experiences. They had had the chance to try new cuisine — cheese fondue, baguettes, "purple lettuce", and Pepto Bismal tablets. It was a marvelous three weeks that finally came true.

Participants included: Jeff Barris, Heidi Fien, Jennifer Geter, Randall Goodwin, Tom Gorman, Irene Hsu, Heather Kailbourne, Priya Khosla, Sara Langie, Susanne Lombart, Mike Melnotte, Michele Morley, Rola Rashid, Jodi Smith, Andrew Vandenbrul, and Dennis Yee.

Mendonites Invade Brittania

In April of 1987, forty Mendonites, led by Richard Sattora, stormed the British Isles. Armed with cameras, walkmans, not enough travelers checks, EF baa-a-ags, and a tape recorder, the students had a vacation they will never forget.

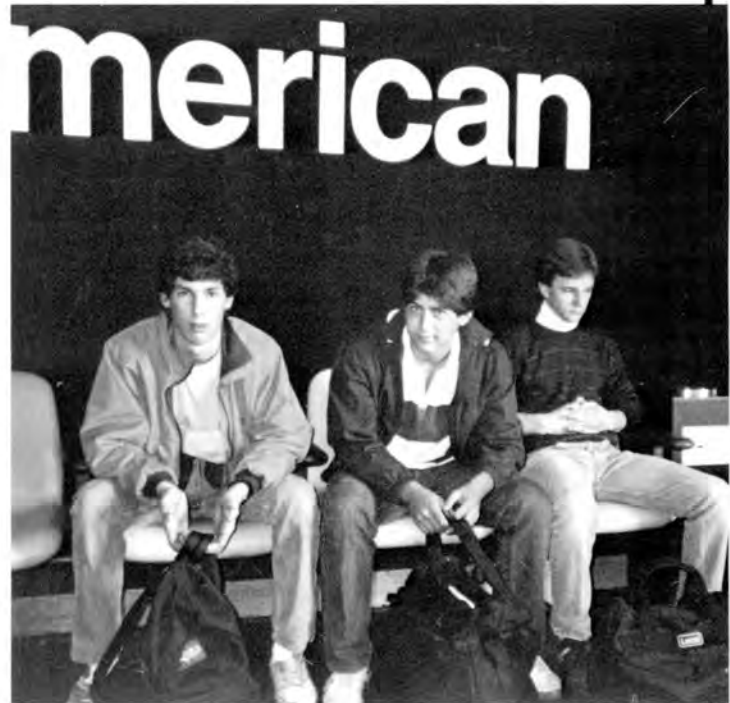

The travellers spent their first two nights in Killarney, Ireland, where they toured the beautiful Ring of Kerry and enjoyed the Laurel's Pub. Before the students arrived in Dublin, each kissed the Blarney Stone to acquire the "gift of gab". (Perhaps that's why they are still talking about their trip.) Dublin's memories included St. Patrick's Cathedral, "Guinness", and Trinity College. The Mendonites then crossed the Irish Sea to arrive in gorgeous Wales. Neither the breath-taking mountain scenes, nor the pub scandal in Wrexham will ever be forgotten by the EF-ers.

After a twisting ride filled with scenes of sheep and rock fences, the students arrived in Edinburgh, Scotland. There, they saw Edinburgh Castle, kilts, and bagpipes; they shopped, rode horses, had ears pierced, and hair done. That night, the travellers took a night train, with private couchettes, to London, England to see the Tower of London, Trafalgar Square, the changing of the guards at Buckingham Palace, London Bridge, St. Paul's Cathedral, and of course Big Ben.

What could be more educational or culturally satisfying than shopping in Picadilly Circus, Harrods, and Barnaby Street? Lasting friendships were formed over fish and chips and tea. These lucky students will never forget the sight of roaming Mountain Mamas, cows, and sheep.

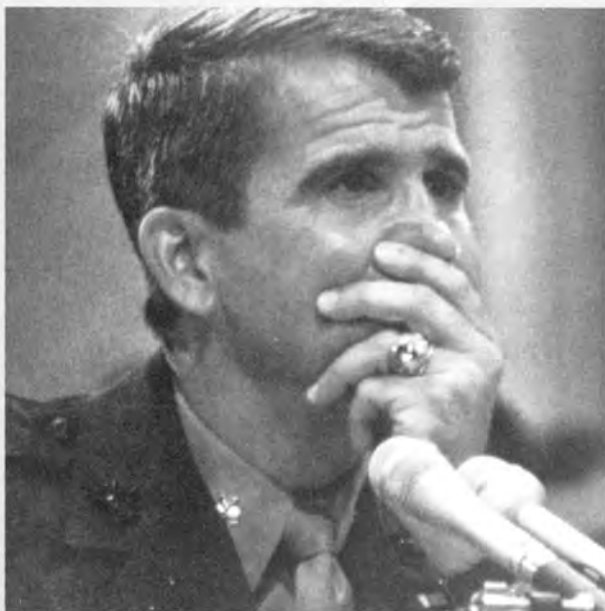

Participants included: Amy Ballinger, Jessica Berlinski, Elizabeth Bindert, Patti Bonnie, Maureen Brown, Kyle Brown, Peter Burrill, Julie Butler, Danielle Cassidy, William Castle, Lisa Dell, Kathryn Gnan, Scott Godfrey, Gary Gruber, Christian Hill, Maureen Holland, Gregory Hutton, Gregory Jacobs, Rob Kaplan, Kevin Klinsky, Heather Logemann, Andy McClure, David Melnotte, Jeff Morrell, Todd Moss, Kelly O'Connor, Marc Osber, Amy Osber, Louise Oster, Damon Pardi, Mindi Pierce, Lisa Riddle, Shawn Ryan, Susan Sagan, Jeannette Sattora, Rob Seurkamp, Scott Sheeler, Andrea Sheeler, Jon Smillie, T.J. Sullivan, Katie Trueheart, Jenny Walters and Glen Zullo.

1987

THE YEAR IN REVIEW

FRONT PAGE NEWS

OLLIE NORTH took the stage this year in Washington. But the Iran-Contra hearings were only a part of the government we saw as GARY HART, and the REAGAN/ GORBACHOV summit took their place on the front page. But by July 11, when the world's 5 BILLIONth RESIDENT was born, the sound of PITBULLS filled the air as mailmen and babies alike were getting mauled from these madacious monsters. The latest bit of news that filled our minds, and hearts, was BABY JESSICA and WALL STREET, both crashing in their own respect.

ENTERTAINMENT

As the JOSHUA TREE easily nabbed the number one on the charts, U2 made their historic stop in Rochester on a rainy Sunday afternoon. With at least two-thirds of Mendon attending, the event clearly marked the concert of the year. And Jerry Garcia and the GRATEFUL DEAD kept the tie-dyes satisfied with the release of their latest album, IN THE DARK. Mendon got sick of hearing about SEAN PENN, MADONNA, and enough court cases to leave our ears ringing. We mourned the death of the Honeymooner's star JACKIE GLEASON. And now with the threat of AIDS, we can only dream of what '88 will bring.

THE CHURCH

With the help of Saturday Night's CHURCH LADY, Mendon couldn't help but laugh at the world of T.V. evangelism. As JIM and TAMMY not only got our centerfold spot, but also had NASA offer Tammy considerable amount of dough as her face was sought after as a possible fuel-type for the next Space Shuttle. The biggest event for everyone was the HARMONIC CONVERGENCE, as the lining up of the planets took us to new depths of Meditation.

TIMELESS CLASSICS

FINE ARTS

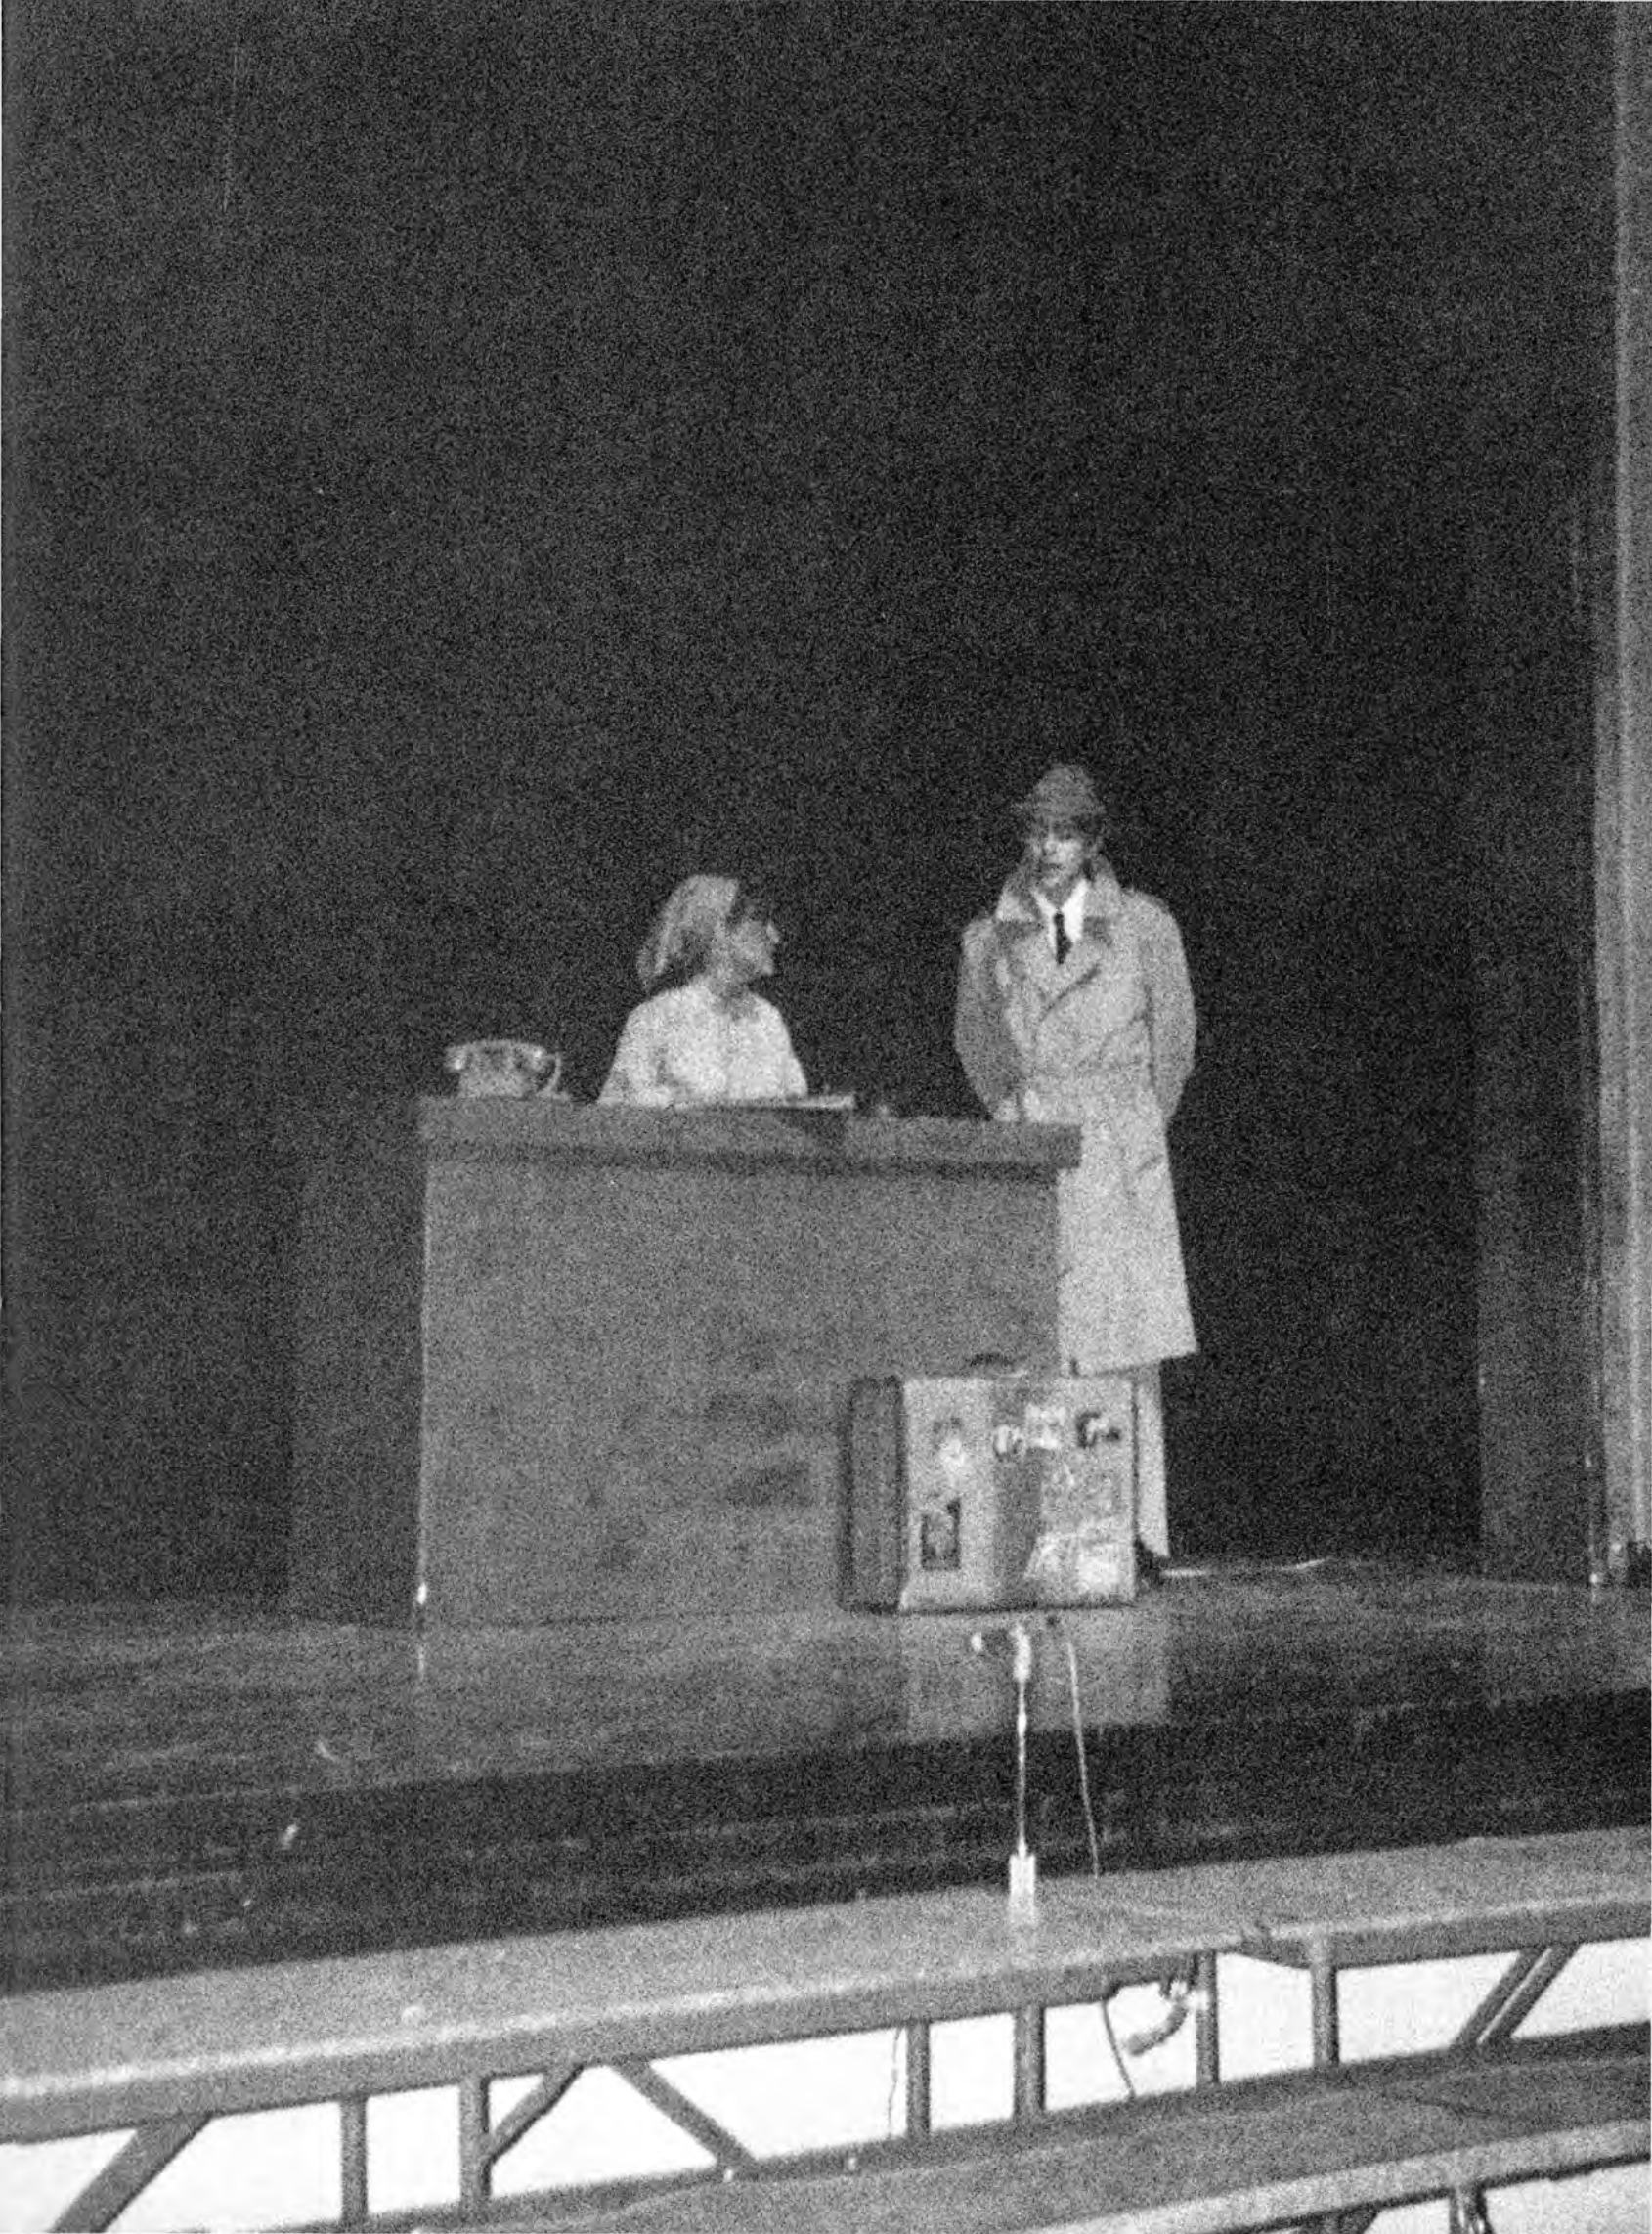

BY CHRIS LASKOWSKI
AND BECKY CHENEY

Mendon's talent in the arts is apparent, from award winning musicians and artists to on-stage performers.

Not only does Mendon have a lot of talent on the sports field, but there is also plenty of talent in Mendon's arts, music, and drama. Mendon's artists continuously win awards at the Sibley's Art Show in addition to many others. Much of their work is displayed in school, and often can also be seen at the Pittsford Library. The Musicians at Mendon perform in concerts throughout the year, and compete in music festivals in the Rochester area and all state. The Dramatic artists present various plays during the course of the year that are always well attended and enjoyed by all who attend. Whatever one enjoys, whether it be art, music or drama, there is always a wealth of talented Mendon students who have excellent works to show and perform.

On the opposite page, Mendon actors and actresses performing on the stage. **Above,** a young artist working on a piece in the art room.

Instrumental Music

Pittsford Mendon has three talented instrumental music groups that play at various events throughout the year. The Concert Band, Stage Band, and Orchestra practice faithfully for their numerous concerts throughout the year.

The Concert Band is one of the largest groups at Mendon. The group practices every morning during first period. The leader of the group is Miss Carol Lovell. During football games, the band combines with the Sutherland band to form the Pep Band. They play each home game and also at a Memorial Day parade in May. The band plays here at school and at the Middle School. Among the All-State musicians were Irene Hsu, Jen Kunkel, Carsten Bruckner and Joe Anderson. These musicians were invited to play in Albany.

The Stage Band consists of a group of highly selective musicians who practice each Thursday morning at 7 a.m. This jazz ensemble plays at school concerts and at various functions around the Rochester area. They played at the Holiday Party and the Winter Concert.

The combined Mendon-Sutherland Orchestra practices hard for their concerts throughout the year. They practice during the first semester at Sutherland, and then practice at Mendon during the second semester. Under the direction of Miss Sarah Johnson, many musicians attain All-County and All-State honors. Some also won awards at the NYSMA Solo Festival.

Choral Music

The students who are involved in the Freshman chorus begin to learn to sing to the best of their ability. Throughout the year they are taught to perform a wide variety of music. Mr. Don Besig, the director of the chorus, teaches them not only to sing correctly, but also to read music. Many of the students are preparing themselves to join the High School Choir or the Show Choir in their future years. The Freshman Chorus works extremely hard to obtain the best results they can. As a group they always amaze the audience with their great performances.

The numerous sophomores, juniors, and seniors who participate in the Mendon High School Choir rehearse every day during third period. The students are taught to work to their full potential as singers. This talented group is motivated by their director Mr. Don Besig. The students perform a variety of pieces ranging from Russian folk songs to classic American songs and Broadway musicals. The choir has several performances throughout the year at which they sing these songs to a captivated audience. The constancy of the pupils entwined with their talent enables them to put on an alluring performance time and time again.

Show Choir

The Pittsford Mendon Show Choir, directed by Mr. Don Besig, is composed of eighteen of the most talented students at Mendon. Each member must be able to sight read music, dance, and act, on top of having excellent singing voices. These ambitious students devote three mornings a week to rigorous rehearsals at 7:00 AM. Their dedication to the group always pays off as they delight audiences at their concerts throughout the year. The Show Choir not only performs at Mendon, but at several area concerts off campus. These magnificent shows have earned this elite group an impressive reputation not only at Mendon, but around the Rochester area. This talented group is accompanied by Mr. Besig on the piano and Rob Kaplan on the drums. The members are Grace Hong, Kris Mooradian, Erin O'Brien, Priya Khosla, Melissa Erne, Alicia Young, Cheryl Cherne, Katie Trueheart, Julie Mirsky, Matt Pestorius, Matt Pelino, Brian Neely, Scott Yanish, John Dean, Kurt Parkinson, Joel West, Kevin Sturmer and Eric Angerhofer.

*A house in the circle standing all alone, dark, empty, quiet —
Until they all come home, all at scattered times, all from different places.
They bring with them the hustle, the bustle, the clutter, the emotion.
If houses could tell stories, what stories mine could tell.
The countless quarrels, the music blaring, the people shouting,
The dog barking, all filled with sense less rage.
The parties, the laughter, the good times, the memories,
But most of all the LOVE.
A LOVE so strong
Shared between
Four people living in this house.
A LOVE so strong, that no matter what is happening it is always there.
And in the end, it always shines right through the rage
So warm, so strong, such LOVE.*

THE TIME TO JOIN ACTIVITIES

By Jennie Lovenheim
and Susan Sagan

The Activities and Organizations at Mendon are numerous, offering students the chance to learn a job first hand by doing an internship, or to learn about the United Nations in U.N. Club. There are activities to suit everyone's interests, and it is easy to become involved with just about every organization one wants. They offer a chance to learn skills in a different atmosphere from the classroom, and they also look great on college applications. Whatever one's reasons for joining, one can always count on having fun and meeting people.

One of Mendon's most visible activities, the *Brainstormers* (above) appears on television's WXXI-21. To the left, the Yearbook staff is working before a deadline.

Get involved and join one of the numerous activities present at Pittsford Mendon. One can be sure to find something that he enjoys.

Every year our Student Council works very hard and diligently to carry out another successful year. Once again our wonderful Senate has achieved it's yearly goals. This year the Student Council decorated the Commons for the Homecoming Dance. As usual the Commons looked great. One of the largest projects for the year was the "Jar Wars" contest. This was a fundraiser to help raise some money to give to one of the custodians, Henry Leo. This project was very successful and it was exceedingly nice to see how our school can work together for a good cause. In addition to this fundraiser, the Senate organized the Holiday Party in December and sponsored the annual carnation sale in February. February also brought the Valentine's Dance — the Sadie Hawkin's Dance. Once again, the Student Council organized the Senior Citizens' Luncheon Program. This day was very successful and helped demonstrate our concern for our community. The Senate has strived to reach it's goals and in response, we owe our appreciation to all those that made this organization possible — ourselves — the constituents.

National Honor Society

Scholarship, leadership, service, and character are the essential qualities of the members of the National Honor Society. This group of students had a very active year. They began the year by participating at the annual Open House for parents in the Fall — they served as tour guides. In addition they offered tutoring services after school for those in need of assistance. This group also contributed to the community. At Christmas time, they worked at St. Martin's soup kitchen helping those who were not as fortunate as themselves. During the year, they were also responsible for sponsoring a guest speaker. This speaker would benefit the entire student body. This year these students leave Pittsford Mendon with the great honor of having been one of the school's most successful classes.

U.N. Club

The dedicated Model United Nations club participated in many activities this year. At these numerous conferences, many members of our club received awards for outstanding diplomatic and debating skills. This club enabled students from grades 10-12 to learn about the United Nations and to become aware of events happening throughout the world. This year our club has been very successful. Perhaps next year will bring many new members to our club.

Youth and Government

The Youth and Government club has once again proved its success. This year the club has sponsored numerous events to raise funds for their annual Albany conference. Such fund raisers included their carwash and many bake sales throughout the year. Thanks to their advisor Mr. Peter Crooker, the club achieved many fine goals. The club's trip to Albany not only enabled the members to tour the Capital, make new friends, and attend some festivities, but also gave them the opportunity to learn the daily functions of government. This club is a good representation of our future politicians.

Business

DECA

DECA, Mendon's chapter of the Distributive Education Clubs of America, consists of many hard-working students, who are interested in the business field. The club members gain experience by operating the school bookstore, which offers a wide variety of items. They also sell candy after school daily. This year, the DECA Club attended conferences at MCC and throughout the state. Other activities included Mendon High Jacket Day and the sale of clothing in the bookstore. This year's officers include Greg Felzer as President, Andy McClure as Vice-President, Jason Bahoney as Treasurer, and Derek Shields as Secretary. The club is led by advisor Jim Kunz. This club has much support from our student body.

Bookstore

The Bookstore is a major part of our functioning school. One has the opportunity to purchase various school supplies, Varsity letterman jackets, and other clothing offered by the Pittsford Pride line. This club is also advised by Mr. Jim Kunz. Along with him, Rikki Nitzkin, Debra Laskowski, and Joseph Condello help manage the store. All of the student body finds the Bookstore a very handy and convenient place to shop.

C.I.P.

The Career Internship Program is a small group of qualified Juniors and Seniors who have a strong interest in exploring a particular career field. Mrs. Kathy Heffron, the internship coordinator, places students according to their interests and needs. Selection for the internships is based on motivation, responsibility, maturity, initiative, energy, and a satisfactory academic performance. This program offers students an opportunity to work closely with someone in the community who has already accomplished his/her goals. Students

are able to see what it is really like in the world of work. First hand "on the job" experiences help build confidence. An excellent opportunity for all upperclassmen, this program provides a chance to experiment in a career field that may become a student's future.

Spanish Club

Hola amigos! This year the Spanish Club was quite successful. For the second year, this club was advised by Sr. Rae Marshall. Without his support and the many student members, this club would not have been as much fun. Some of the activities planned for this year were a Spanish dinner party and many cultural experiences throughout the city. This year's officers include Grace Hong as President, Chris Laskowski as Vice-President, Susan Sagan as Secretary, and Jon Young as Treasurer. We hope that this club will be as successful in "El Futuro!"

Latin Club

"Latina Vivit!" This year at Mendon, the Latin Club led another successful and enjoyable year. Thanks to their advisor, Mrs. Jill Crooker, the students had a lot of fun. They ate Latin dinners at Pizza Hut for their monthly meetings. They also held some fund raisers. They donated many cans at Christmas time for the annual Canned Food Drive. Although they only did this out of the kindness of their hearts, not for a reward. In the Spring, many Latin scholars take the National Latin Exam. They are generally rewarded for doing well. And as they said back in ancient Rome "Veni, Vidi, Vici!"

The Anarchist

THE ANARCHIST made a dramatic and awe inspiring comeback in 1987 after an absence of an entire year. The literary/ editorial/ satirical magazine sprinkled with a handful of brilliantly rendered cartoons was revived by Editor-in-Chief Mike Melnotte. Along with sub editors Scott C. Whitmore and Stephen C. Boreman. Melnotte offended underclassmen, women, people in general, and anyone else he could think of.

THE ANARCHIST is known for its use of dangling prepositions, intentional misspellings, and sentence fragments. The advisor Mr. Richard Sattora refused to comment on the editors or to acknowledge the existence of the review. "I just make pizzas," replied the associate of Sattora's Pizza located in the town of Mendon.

The purpose of the Anarchist is not to offend, but to enlighten its audience. Says Melnotte, "If we could only reach out to one reader this month it would be worth it. We don't hope for any glory in this business."

Melnotte considers himself not just the father of the new ANARCHIST but also a father figure to the sub editors. "They know that they can come to me for advice, both personal and professional. I'm like a father to them." Whitmore and Boreman were asked to add to the fond comments from Melnotte. "Who?" inquired Whitmore.

Amnesty International

Mendon had a new club this year, and it was the first chapter of Amnesty International to appear at Mendon High. Amnesty is an international organization whose chief goal is to free prisoners of conscience and to prevent torture. This group for human rights got off to a good start at Mendon, attracting many members. The group sponsored a letter writing campaign, in which Mendon students wrote to leaders of foreign countries and pleaded to them to release their political prisoners, many of whom were put in jail because they disagreed with the government. Many received no trial. The success of Amnesty International suggests it will have even more success in the future.

THE ANARCHIST: Scott Whitmore, Annie, Mike Melnotte, and Steve 'Sumo' Boreman.

Camping Club & Pep Club

If you like canoeing, hiking, biking and camping, then the Camping Club is definitely for you. Each year, this club takes numerous camping trips to try a variety of outdoor activities. the club is led by Mr. Ron Sherman, who faithfully leads his fellow campers through the perils of Mother Nature, whether it be white water rafting or simply a biking trip. Many students participate in Camping Club, and many have gone on at least one excursion with them. The faithful "Camping Club Crazies" brave cold weather, rain and snow, and this faithful support ensures its popularity and success in the future.

The Pep Club helps to boost school spirit and keeps it alive. These nice gals paint all the spirited signs that cover the commons and the gym during sporting events. They sell soda at varsity basketball games and are responsible for a large part of what happens at Homecoming. Three cheers for this club that encourages school and community pride.

SADD

Drinking and driving is a terrible crime. There are many conscientious Mendon students who have formed a club to show the community about the growing problems of drunk driving and its devastating effects. They have participated in many community awareness activities. The group stresses that it is not against drinking itself, but against the fatal combination of drinking and driving. S.A.D.D., Students Against Driving Drunk, is to be commended for its hard work and dedication.

Health and Community Service

Do you all remember last winter bringing in cans for the canned food drive? Well, our very own Health and Community Service club organized that in order to help give food to those less fortunate. They adopted a Rochester family for the holidays in addition to the canned food drive. In the spring, they helped out the Red Cross by sponsoring the Blood drive, during which many juniors and seniors helped out by donating their blood. Members of this group can get the satisfaction of knowing that they made a difference in the lives of others.

It's Cultural Foreign Exchange

The foreign exchange program has been very popular and culturally enriching for those abroad and those hosting. This year we had a group of fascinating personalities that added a lot of spunk to our school. Our visitors included Vibeke Espensen from Denmark, who stayed with the Brumaghim family, Holger Germann from West Germany, who resided with the Klinsky family, Anne Girardot from France, who remained with the Piles family, and Kai Kock also from West Germany who resided with the Stark family. Some of our other exchange students include Anni Lassila from Finland who stayed with the Hong family, Jakob Nielsen also from Denmark who resided with the O'Connor family, Ami Serri from Israel who remained with the Kaplan family, and Jasmina Zivkovich from Yugoslavia who resided with the Damevski family. In addition, several Mendonites will also be traveling abroad this Summer and next year. To all of our cultured travelers, we wish you "Bon Voyage."

Unity

Unity is a club concerned with the growth of minority students. We try to develop within ourselves and the student body a sense of awareness and pride in our culture. Our goals are accomplished through various community services and school activities. Unity funds are provided by bake sales and other various activities. As the group continues to grow, we hope that everyone remembers, "In Unity there is strength."

A.V.I.S.S.

Whenever you watch a movie or video tape in class, you should thank the A.V. club. This hard working group supervised by Mr. Gary Mooney is responsible for taping school events, such as basketball games and Homecoming, and also helps to shuffle around video machines for classes. In addition, they help with stage lighting at school assemblies and concerts. Every student has been touched in some way by the work of the A.V. club, and they should be commended for their hard work.

WRPM

If you've ever wondered where the music in the commons comes from during 1st, 2nd, 3rd, 7th and 8th periods, it comes from the Radio Club. Advised by Mr. Jim Kunz, this club plays all types of rock music chosen by the D.J.'s themselves. This year as in the past, they sold Dinner and Theatre books to raise money to buy new albums. D.J.'s are trained three times in the beginning of the year, and then they do shows by themselves. The club offers students a chance to speak publicly over the loudspeaker in-between songs. The club consists of Greg Hong, Greg Jacobs, Jeff Barris, Todd Montabana, Derek O'Connor, Grant Lynde, Kathy Kiley, Doug Chans, Brian Wagner and Andy Goldman, Jason Miller, Hector Vargas, Mark VanBork, Renee Chaput, Joe Zimmerman, Dave Kailbourne, Jason Cole, Dan Cuffe, Tom Gorman, Doug Brayer, and Brian Price. The manager of WRPM is Derek O'Connor, and the assistant manager is Jason Miller.

Drama Club

Mendon's Drama Club performs the widely acclaimed productions that take place in the Spring. Last year, they performed the "Pink Panther", and then did a full-scale production of Grease. The members are directed by Mr. John Denison, who has been adviser of this club for years, and who himself has performed in various productions in the Rochester area. One day, perhaps, one Mendon Drama graduate will appear on Broadway.

PRISM

The Mendon School newspaper the PRISM had another successful year this year. Under the guidance of Editor-in Chief Dan Cuffe and Adviser Mr. Paul Littrell, the newspaper worked hard to publish an issue each month. The Holiday issue contained a whopping eight pages. This dedicated group works hard each month writing articles, drawing cartoons, and laying out pages. Anyone is welcome to submit articles or editorials for publication, thus encouraging more active student participation and involvement. We look forward to another year of the PRISM next year, with many of the editors returning.

Math Club

Math Club has become a very popular activity at Mendon. It permits a student with a high aptitude for math, to challenge his skills while he competes. Throughout the school year, there are seven county-wide meets. At league competitions, members try to answer as many questions as possible, to accumulate points. Math lovers and natural geniuses should enjoy participating in this club. This year, the Math Club won a trophy for being runners up on a county meet. Congratulations for our Math Club.

Row 1: Neil Baines, Mrs. Kramer, Ron Lalik. Row 2: Dave Blezard, Steve Lichea. Row 3 (hidden): Obert Chu.

Chess Club

The lively group of Mendon chess players competed in matches all across Monroe County. The game of chess is very challenging and requires large amounts of concentration and skill. Their advisor, Mrs. Kramer, is helpful in aiding them by trying to give hints as to how to improve their skills. Many people are not recognized for their dedication to this sport. However, it is a very large honor to compete in this sport, as it is difficult and requires certain powers of concentration.

The Art of Communication

Mock Trial

How do you feel when you must defend your opinion? Do you enjoy debating? If so, then perhaps Mendon's Mock Trial Team is for you. The team is highly motivated and has achieved many goals. The members of the club learn about the legal system by trying cases in a simulated court of law. This club has produced and will continue to produce many lawyers. We hope this club remains successful and expands its opportunities.

Adviser: Mr. Bruce Brown, Todd Sawicki, Rob Biernbaum, Michelle Lewis

Russian Club

Russian Club is a very stimulating club. Not only do the members study the Russian language, but they also enjoy learning about aspects of Russian customs and lifestyles. The club is led by Miss Marilyn Sheehan who instills a profound respect for the Russian people among the club members.

Brainstormers

The Pittsford Mendon Brainstormers team completed another successful year. They made it to the Quarter finals where they were beaten by McQuaid. The members of this team must try out in the fall for a chance to compete in the weekly quiz show televised on WXXI 21. The team consisted of Captain David Blezard, David Cohen, Julie Reichgott, Obert Chu, Irene Hsu, and Neil Baines. Since only four members can compete at a time, two members would serve as alternates during each match.

The show has proven to be popular in the Rochester area. This year's new host was WPXY D.J. John Houseman. Although they did not make it all the way this year, we all hope next year's Brainstormers will make it all the way to the finals.

Welcoming Committee

The Welcoming Committee is directed by Mrs. Sanders. The objective of the group is to welcome new students to Pittsford Mendon by taking them to classes and teaching them the new system. The group works hard throughout the year to make the transition stages for new students easier. The head officers for the Welcoming Committee this year were John Dean and Karen Ogawa. Many thanks to the Welcoming Committee for all their help.

Time Out For SPORTS

BY ROB KAPLAN, MATT PELINO
AND KIRSTEN HOEPPNER

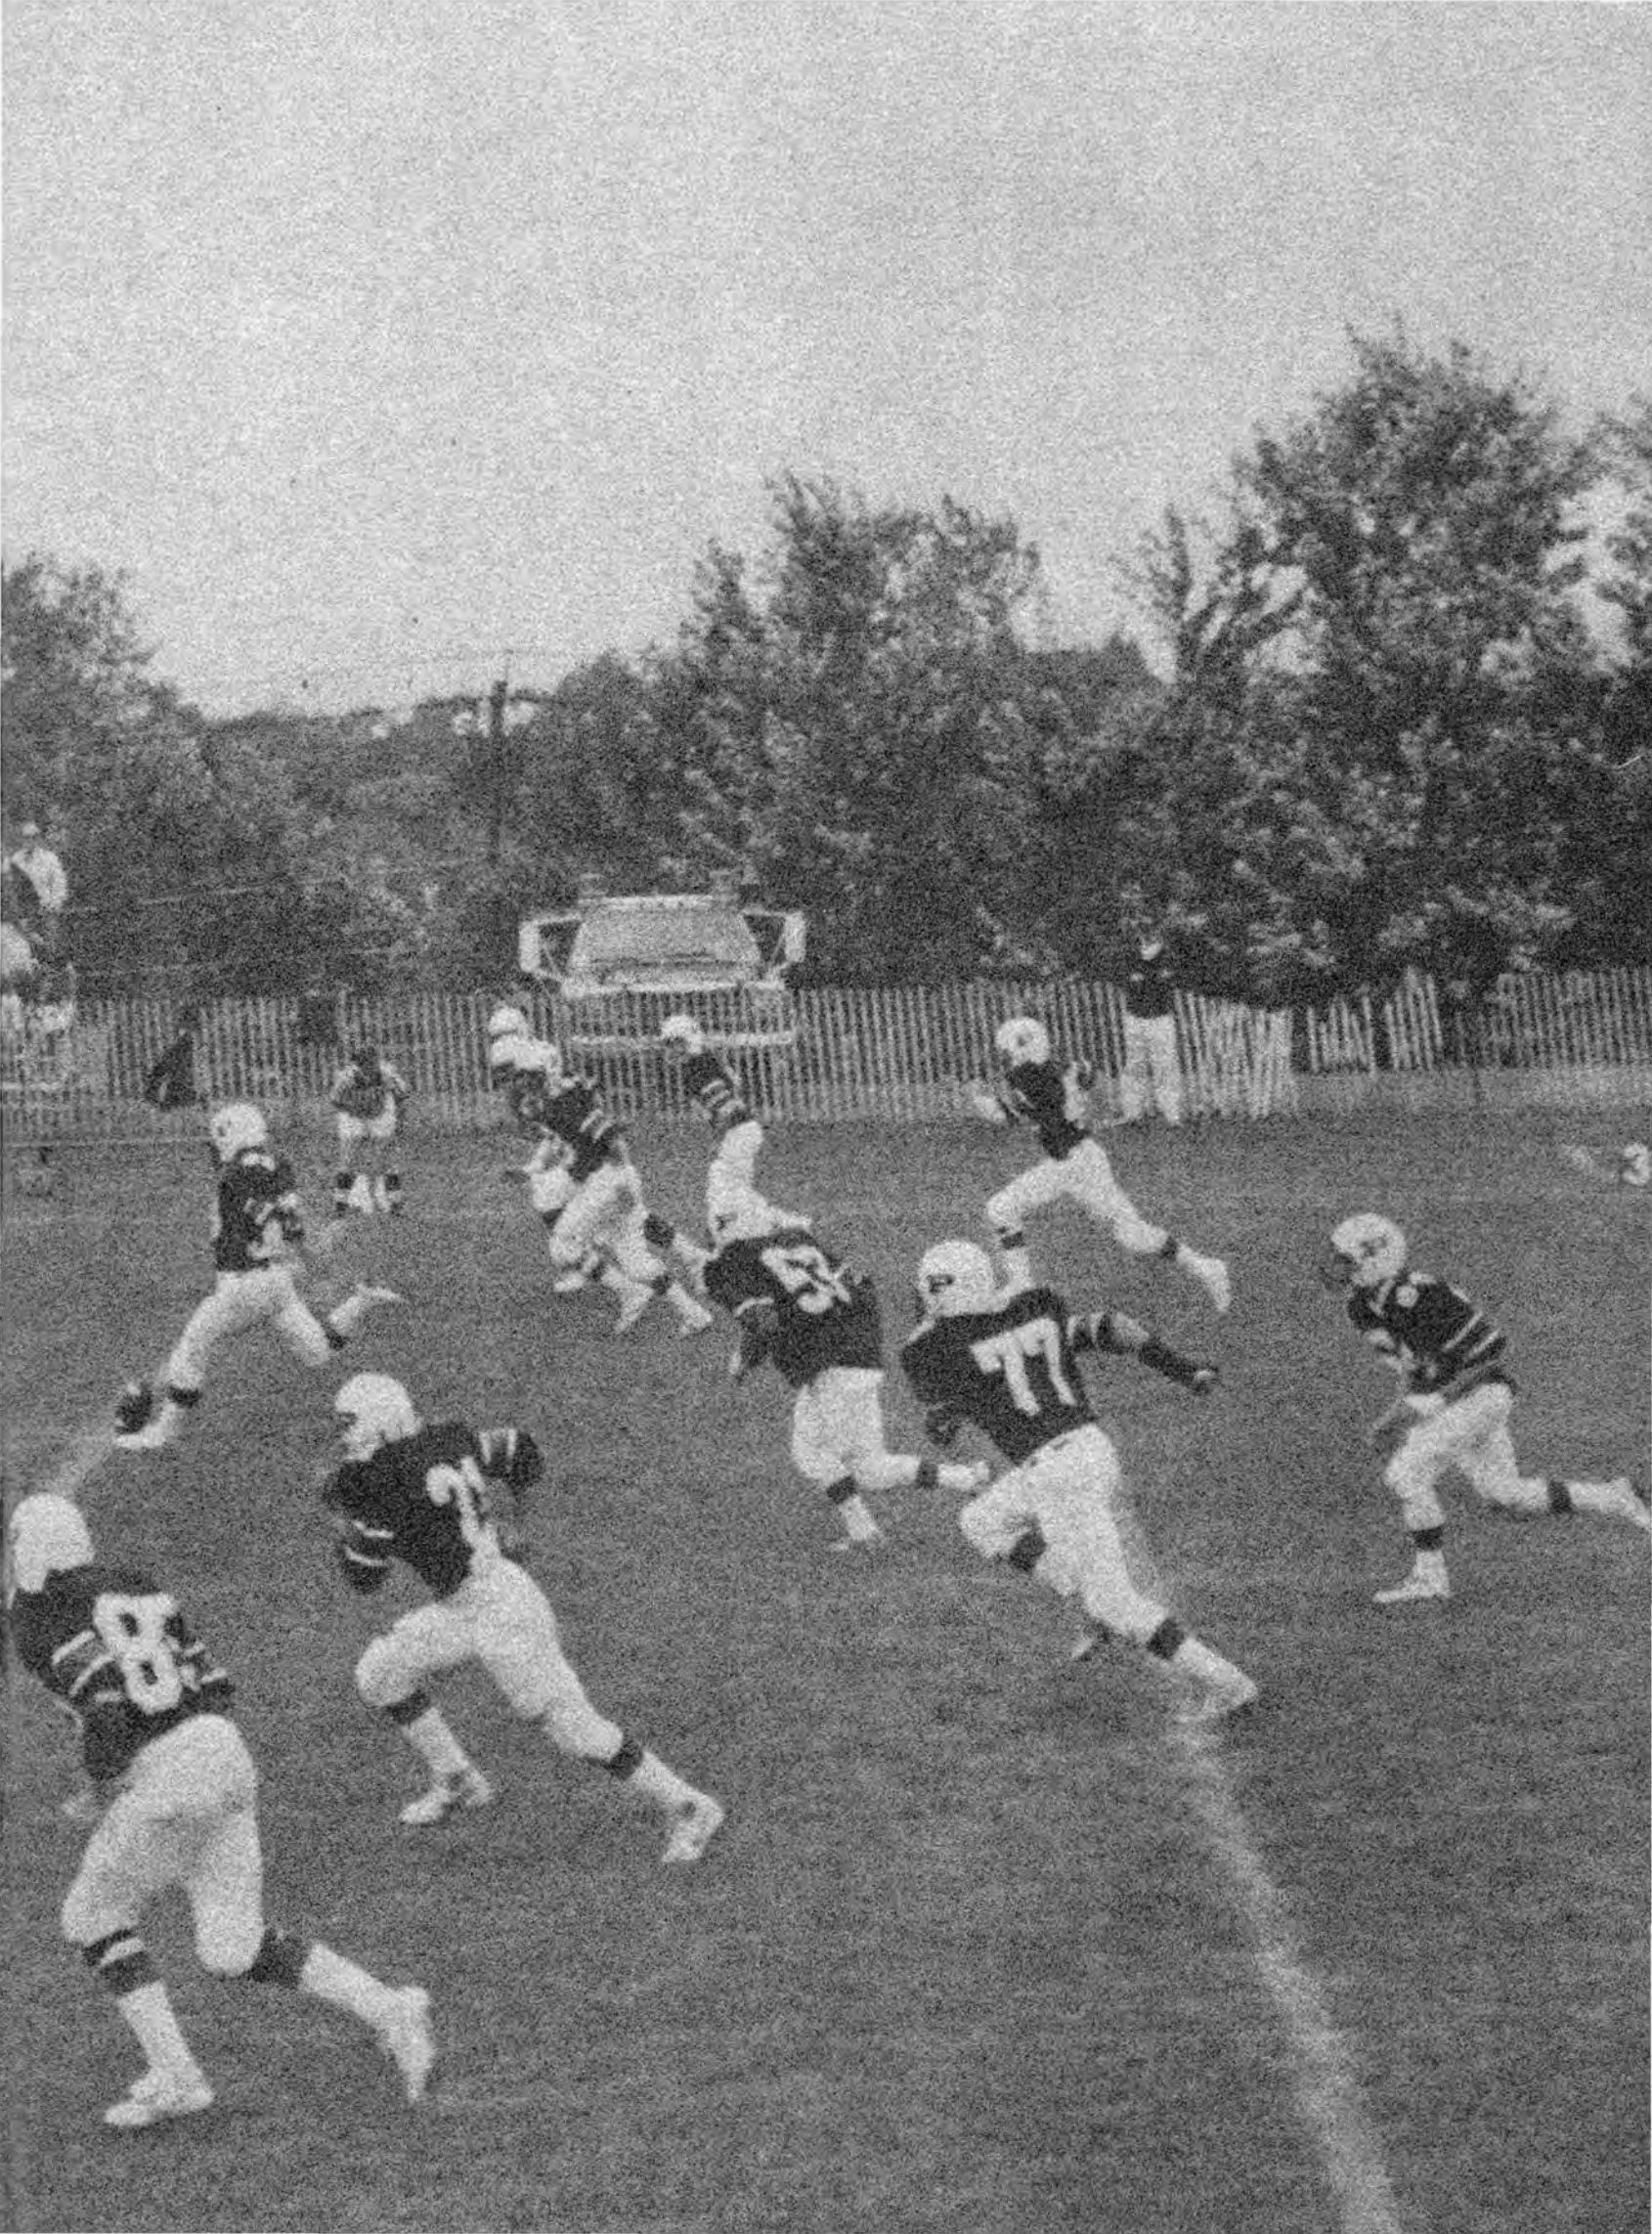

Most every Mendon student is involved with sports in some way. Whether as a participant or a spectator, we all take time out of our busy schedules to play or take in a game. This year, as in the past, various Mendon teams won the Section V title, and some went even further. Whether a team goes 20-0 or wins only two of their fifteen games, there is always support from the Student body.

Sports offer a time to get away from the pressures of school work and the opportunity to relax a bit. We all make time to either play or watch our champion athletes.

Mendon Swings Low High Hopes for Next Year

The Boys' Varsity Baseball team finished off the season with a record of 8-10. They entered the first round of Sectionals only to lose. Two players from Mendon were recognized for their talent. They included Matt Shapiro, for first team All-County, and Jim Wittig, for second team All-County. The Boys' JV Baseball team had an impressive record of 11-7 for their season. With help from the JV team and with many seniors coming back, the Varsity team expects to be greatly improved. Their goal is to become Sectional Champs.

Lacrosse Finishes 9-10

Russell Selected All-American

The Varsity Lacrosse Team finished their 1987 season with a record of 9-10. They were led by senior *Dave Russell*, who was selected for the All-American Team. Other players awarded for their outstanding efforts were: *Dave Chaney* and *John Cohen*, Second Team All-County; and *John Thayer* and *Andy Clark*, Honorable Mention. The combined Mendon-Sutherland team was coached by Paul Wilson. The most memorable victory of the year, a 7-6 win over Fairport, exemplified the abilities of goalie *Andy Clark* and *John Thayer* on defense. The Juniors on the team promise to offer great potential for next season, which is expected to be an improvement over the last season. A new program, begun to nurture the skills of the seventh and eighth grade novices of the sport, hopes to improve the chances of a winning future for the Lacrosse Team.

Golf Team Swings for a Better Record

Dave Erwin sets MVP

The 1987 Pittsford Mendon Golf team was coached by Mr. Bruce Fay. They did not do as well as they would have liked to; they finished the season with a disappointing record of 2-14-1; *Dave Erwin* earned the team's Most Valuable Player award. The team hopes to make up for this year by boosting its record to a more impressive one for next year.

Mendon Tennis Enjoys Smashing Success Scott Thyroff and Matt Ryan Attend State Competitions

Under the leadership of captains *Scott Thyroff*, *Matt Ryan* and *Coach Nagle*, the Mendon Viking Boys' Varsity Tennis team was led to an 8-4 record, finishing third in Monroe County East. As a doubles team, being the top seed in the Section 5 tournament, Scott and Matt took first place. Remained the top seed in state qualifiers, they came in second, but were second round losers in states. As a team, they were Section 5 Class A semi-finalists. The hard work paid off for *Scott Thyroff*, taking the Most Valuable Player for the year. Losing 6 seniors, it looks like they will have to work very hard, if they want a Section 5 championship, but with the help of Thyroff and Ryan, they might be able to do it.

Led by *Coach Todd Hahn*, the Junior Varsity Tennis team had to settle for a 4-3 record. But with the help of *Dave Geiselman*, *Greg Jacobs* and *Neils Bruckner* the team completed a winning season. Playing second doubles in a tournament all the schools participated in, *John Stimpson* and *Jason Bahoney* placed first. *Dave Geiselman* had to settle for second losing in three sets. The hard work an 8th grader *Greg Sess* put forth, helped get him Most Valuable Player for the year. With the help of some young freshmen talent, the leadership and determination of the sophomores, they should have a promising 1987-1988 season.

Season highlighted by 10-7 victory over Rush-Henrietta

For a second consecutive year the varsity team posted a respectable record, finishing at 4-4-1. The team was led by MVP Keith Molinich and tri-captains Darryl Reese, Keith Molinich, and Chris Hill. Also leading the team was second team All-County player for offense and defense Chad Pasley. An impressive win against Rush-Henrietta was the highlight of the year. Despite not making sectionals this year, the team can look forward to more success with help from the JV team. The JV team finished an excellent season at 6-3. The team was led by captains Scott Michel (MVP), Derek Owens, Scott Torrens, and Pat Rickkard. The Freshmen team ended with a respectable mark of 4-3. They were led by tri-captains Evert Porter, Tom Pectorious and Aaron Cease.

The Legend Lives On

Sutherland blocks Mendon's chances of Sectional Championship

The legend of Mendon soccer continued in 1987 as the Boys' Varsity team posted a record of 13-5-1. The Vikings were led by coach **Joe Borrosh** and co-captains **Bill Killius** and **Jeff Thomas**. They entered sectional play seeded number three, and in their first game easily defeated Victor 7-0. Mendon then reached the semi-finals only to meet up with cross town rival Sutherland. That was where the seniors of the team were to play the last game of their Viking career, as they lost 0-1 in double overtime. Several players from the team received area recognition. **Bill Killius**, **Brendan McClaskey**, **Tyler Ricks**, **Jeff Thomas**, and **Ted Walsh** were all selected as members of First Team All-County. Second Team All-County honors were given to **Mike Anderson**, **Niels Bruckner**, and **Mark Emerson**. Only nine players will be graduating this year and next year's team is looking forward to continuing the tradition of Mendon Vikings Soccer excellence.

The Boys' Junior Varsity team finished off a great season with a 15-2 record. They were coached by **John Iaculli** and captained by **John Graves** and **John Paulsen**. There were four players who were recognized for their effort on JV and at sectional time were brought up to the Varsity team. They included **Scott Fink**, **Rob Neisner**, and **Tim** and **Pat Walsh**. The addition of their team to the Varsity in 1988 should contribute to the success of the Vikings, not only next year but in the years to come.

THE TRADITION ROLLS ON . . .

Sectional Champions Once Again

The girls varsity soccer season was one of accomplishments this year. They came out fighting strong, but hit a rough spot with injuries. They finished the year with a record of 18-5-1, under the guidance of Miss Gibson and JV coach Miss Wright. The team fought hard in sectionals and became Sectional Champions once again. Their toughest match was against Sutherland in the semi-finals, with a win of 2 to 1. On they moved into Regional play and were again victorious against Lewiston Porter. This year was an emotional year, with the loss to Marcellus in the semi-finals of state play. They lost in a shoot out in Long Island. The captains were Sheila Ryan, Megan Hanushek and Betsy Paulsen. Sheila Ryan won the honors of Most Valuable Player. The team this year was a very close one, and will miss the seniors when they are gone. But, the underclassmen will uphold the tradition.

Varsity Tennis Yet To Be Defeated

Close relationships coupled with excellent talent grants county title

The Girls' Varsity Tennis team's dynasty remained intact by completing the season with an unbeaten record of 11-0. Led by co-captains Rachel Furman and Wendy Colfer, the team's play reflected both the close relationship between players and the talent and skill of each player. The tradition continued as the team went on to win the Monroe County East title.

First and Second Doubles players Wendy Colfer, Cindy Rowe, Caryl Stiles, and Eden Haythorne, and Third Singles player Hilary Marquardt went on to win the Monroe County Tournament. Wendy and Cindy also won the State Qualifiers and the first round of the State Finals. First Singles player Rachel Furman was also a finalist in the Sectionals.

Nominated to the All-County team were Wendy Colfer, Cindy Rowe, and Rachel Furman. Rachel was also selected as the team's Most Valuable Player. Wendy Colfer received the team's Sportsmanship Award, and Chris Laskowski was the team's Most Improved Player.

Although the Varsity team will be losing six seniors, Coach Darlyne King is looking forward to the new, young talent that will be joining the Varsity squad.

The JV Girls Tennis team, led by Coach Miche Olney and co-captains Beth Larimer and Kaija Clark, also had a sensational seasonal. The team had an undefeated record of 11-0. Lanie Bittner was voted as the team's Most Valuable Player, and Minna Kim was the Most Improved Player. The Sportsmanship Award went to Beth Larimer.

Excellent Performance Culminates in Best Season

Spirit and determination
pull team together

The Girls' Field Hockey team at Mendon enjoyed its best season ever in 1987. Closing the regular season with a 4-7-6 record and led by co-captains **Amy Steinhausen** and **Melissa Sturge**, the team also enjoyed the attendance of a greater number of spectators to their games, as people heard about the girls' excellent performance on the turf (they were undefeated until the tenth game, more than halfway into the season). The fierce pride and cohesiveness of the team, as well as a killer preseason and a will to excel, were major factors in their success, which the members feel is not accurately reflected in the numbers. Their favorite things in all the world, during the season, were scenics, corner work and full-field sprints (hack, cough). Two standouts on the team were sophomore **Kris Carpin**, who scored six of the ten goals Mendon had during the season, and freshman rookie goalie **Jody Oyer**, who recorded seven shutouts and performed like a veteran. For the whole team, though, spirit and determination meant everything; beginning each game with a rousing "Are you ready?" "READYYY!!", they showed that they could outpsyche any team past or present, and they will certainly long remember this year's experience. (P.S. "U-G-L-Y!")

The junior varsity, led by captains **Nicol Calhoun** and **Jacqui Miller**, enjoyed a similarly rewarding season. Although the record was not what it could have been, the team overcame some early internal problems and banded together to make the season a memorable and truly fun endeavor.

Going the Distance Horkheimer Takes 5th in All American Run

1987 was the best season Cross Country has ever run. The boys final record was 17-0, while the girls was 13-4. They were guided by their captains John Horkheimer, Linda Gryski, and Cathy Mahan. Their easiest victory was in the Clarence Invitational, where they wiped out everyone else. The team went on to win Counties, Sectionals, and placed 5th in States. John Horkheimer went on to San Diego, California. The first person to do so in Pittsford history. John placed 5th in his race, and is now 1st team All American. Their Most Valuable Runners were John Horkheimer and Linda Gryski. Their Best Attitudes were brought in by Scott Whitmore and Linda Gryski. Although the team was mostly seniors, there are very promising underclassmen who will indeed keep up the Mendon Tradition under Mr. Cole and Mr. Sauerhafer's guidance.

Sectional Title Regained

Monica Farren Qualifies for State Competition

The Lady Vikings finished the season with an overall record of 6-3. The season began with a third place at the New Hartford Invitational meet and continued to be successful. It has been six long years since the Girl's Swim Team held the class B title. The spirit has returned.

Captains Renee Potter and Monica Farren lead the Vikings to their sectional victory. Monica Farren won the 50 free and the 100 free which gained her a placement in the State Meet. The 400 Free Relay team, consisting of Monica Farren, Lisa Mastro, Debbie Whitney, and Vibeke Espensen won their event. Jodi Smith took fourth place in Diving and went on to compete in the State Qualifying Meet. True, the competition was intense, yet the fishwomen came out on top!

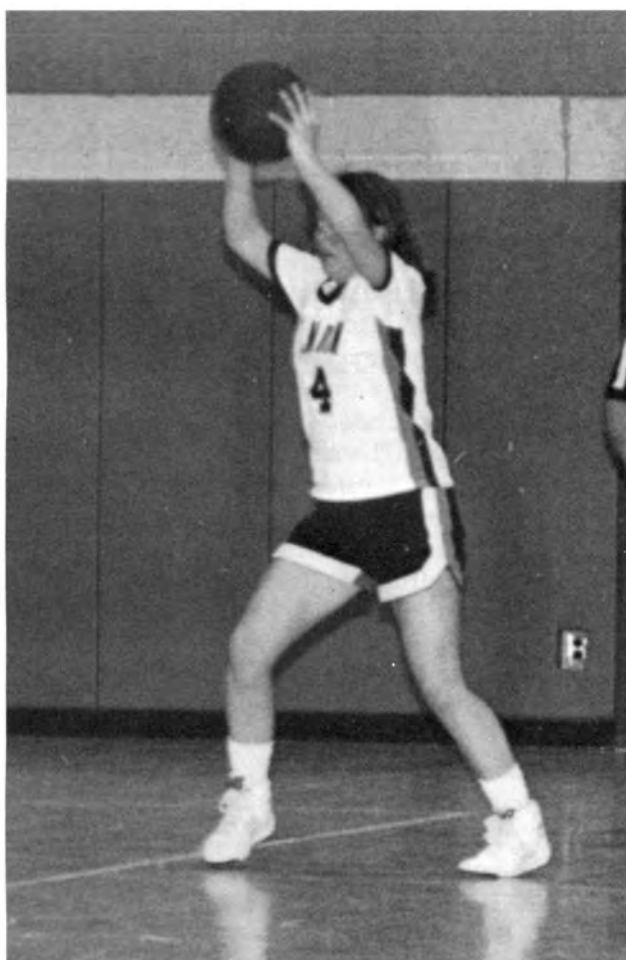

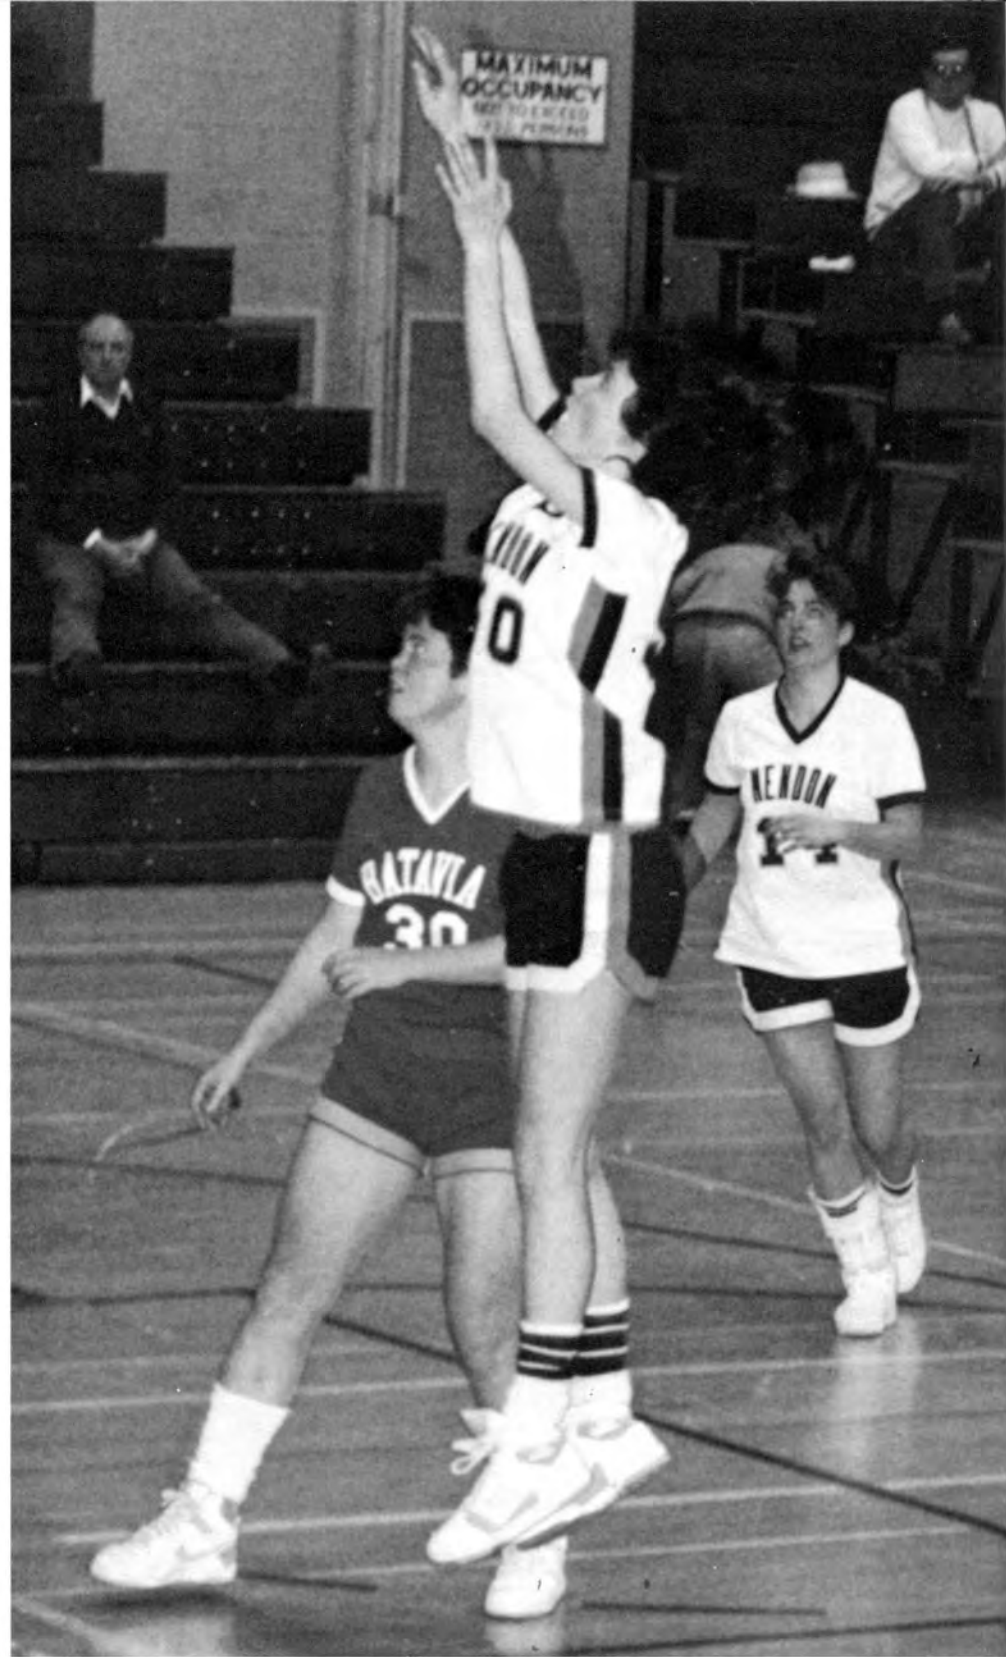

The Junior Varsity team had quite a lot of talent as well. Almost all of the members qualified for the sectional meet. It looks as though next year will be a promising one for the girl swimmers.

Hoop Hoop Hooray Horgan's Heroes

The 1987-88 Girls' Varsity Basketball Team, coached by Larry Horgan, pulled through with another outstanding record. They dominated almost every team they played throughout the year and ended the regular season undefeated. The team captains were Kari Knapp, Lara Litchfield, and Megan Hanushek. Their well balanced team was led by Kari Knapp who set school records by scoring the most points in a game and scoring more than 1,000 points in her career as a varsity player. For the second consecutive year, the girls won Section V in the State Tournament. Although Mendon graduates four of its five starters, they hope to have another highly successful season in 88-89.

Great Year For Cagers

The Boys' Varsity Basketball Team concluded their season with an impressive 17-5 record. They were led by co-captains Mark Chaney and Ted Walsh. Three players from the team received recognition because of their excellent play. The First Team All-County awards went to Shaun Bassett, Mark Chaney, and Ted Walsh. Both Chaney and Walsh were on the AA All-Tournament Team and played in the Exceptional Senior Game. Chaney also received a nomination as a McDonald's All-American. The season ended with the Vikings ranked first for the post season AA tournament. They easily reached the semi-finals at the War Memorial, where they met Monroe. They played their last game of the season as the Red Jackets defeated Mendon by two points. Next year the team will not have as much height but they still expect to be a strong contender.

Shooting on Thin Ice.

The 1987-88 Pittsford Hockey Team was coached by Howie Maffucci. They had a League record of 6-9-1 and an overall record of 7-11-2. The captains of the team were Matt Shapiro, Grady Woodring, Andy Diehl, and Stan Powers. During their season the high point was defeating McQuaid. Pittsford was the only team in the league that McQuaid did not beat. Matt Shapiro was the only player from the team to receive recognition. He was named to the Second Team All-County. The team felt that their biggest weakness was their defense. Returning players feel that next year's team will be stronger than this year's team.

Volleyball Hitting Hard

The lady Vikes closed their season against top ranked Brighton. The team looked brilliant in this tough bout. The Vikes took the match in four games. Along with the victory against Brighton they also beat the number one team in their division, Batavia. After a slow start, the Vikings seemed to have gotten their act together. The second half of the season brought about a new light, the Vikes won five of their last six games. The team started out at the bottom of the standings, and ended up in fifth place in division two. The league record was 9-9 and overall was 9-11. Mendon coach, Miss Wright, had a young team to work with this year. By mid-season, she miraculously brought the team together to end the season on a positive note. Only four seniors were on the team, Captains Kari Saunders and Sheila Ryan, superb hitter Colleen Ware and Lisa Minn. All in all the lady Vikes came through well to lead on the Mendon success, and perhaps to give Mendon a better reputation for their volleyball skills. Mendon has many talented underclassmen to add to the team next year.

The Finmen Rebound to a Winning Record

Mendon's Men's Varsity Swim Team appeared to be headed for doom after losing five of their first seven meets. Mendon, however, rebounded to triumph in their next five meets. They completed their season with a finish of seven and five. Mendon concluded a fine season with a respectable showing in the Section 5 Class A Championships. The team was led by coach Marty Keating and co-captains John Barden and Scott Sheeler. Although the team is losing many beneficial seniors, next year's team looks very promising. Some of the outstanding performances in Sectionals included Rob Foehner who took second in diving. Also placing in the top six was the 400 free relay team of Scott Sheeler, Craig Lounsbury, John Stimson, and John Barden. The Mendon swimming team is looking for new members to uphold the tradition of excellence that generates tremendous spirit and harmony.

The Junior Varsity team had a very successful season defeating most of their opponents. These accomplishments will surely prove to be beneficial to next year's varsity team.

Eden Jumps to the Top Lady Vikes Place 9th in Counties

Pittsford Mendon High School Gymnastics team had another fine season. Coaching the athletes was Debi Levinson, new to this position from East Side Gymnastics Club. Returning gymnasts were: Seniors: Kathy Cole, Janet Walters; Juniors: Eden Haythorn, Kerri Natapow, Kate Garity; and freshmen: Erin McConville, Deidre Norman, Sheila Hooten, and Vicki Malzewski. Even with the newcomers to the team, Mendon Gymnasts pulled together to show great team unity. The final tally of the meets being 3-8. The Lady Vikings placed 9th in counties and sent Eden Haythorn competing all around in sectionals and on the fault in states. She placed 2nd with a 9.2 in the state finals. They're looking forward to another successful year in 1989.

Girls Ski For A Title

Wendy Brown Pulls Through in States

The Alpine Ski Team did exceptionally well this year with four skiers going to states. They were Marcy Seager, Tom Doyle (Captains), Kyle Schwark and Michealla Arena. These four also qualified for the Empire State Winner Games. The girl's Alpine Ski Team took the Monroe County Title and the boys placed 2nd in the Monroe County Area and also second in sectionals. Under the guidance of Doug Kessler, they are expecting another great season next year.

The Nordic Ski Team had a rough year with the lack of snow. Due to this a third of all their races were cancelled. With the guidance of their coach Hans Kessler and Captains Wendy Brown, Fred Engelfried, and Dam Pardi (JV) they got through their season. Without snow it was hard for all the new skiers to learn the basics of Nordic ski racing. The boy's team will all be returning next year, and almost half of them were first year racers. They worked very hard to get to Sectionals and placed 7th. The girl's team did very well and were consistent. They have everyone returning except one. They all worked very well together and placed 4th in Sectionals. Three people qualified for the Empire State Winter Games. They included Megan Hamill, Fred Engelfried and Wendy Brown. Wendy Brown also qualified for State Competition. They are looking forward to a good season for next year and are hoping for snow.

Panthers Develop Their Wrestling

Brian LaPrade Places Third In Sectionals

Although they finished with a losing record, Coach Ernie Dibella of the Wrestling team expects that the team will improve. Since only four seniors are leaving, eleven will be returning. The captains for Varsity this year were John Post, Jeff Rubel and Mark Sullivan.

There were many accomplishments by the team this year, with Brian LaPrade at the top of many statistics with most takedowns, escapes, predicaments, and best dual meet record with 25-10-1. He placed third in sectionals. Captain John Post led the team in reversals while Raoul Naude had the fastest pin at 45 seconds.

Let's Go Vikes

This year was a great change for the Varsity Cheerleaders. Through a lot of hard work, they became a much improved squad. It was their first year under new coach Chris Toohey. They were led by co-captains Voirrey Husted and Mary Jones. Participating in the Greater Rochester Cheerleaders Invitational, they finished fourth.

From the first day of school the Junior Varsity Cheerleaders never stopped cheering or practicing. In the fall they encouraged the Panthers to triumph in football and the Viking Soccer team to be victorious. They now pass their congratulations to the basketball team for advancing to sectionals. The girls thank their coach Trish Kelley and the Varsity squad for helping them to develop their floorcheers and for their support. The JV squad acknowledges Karla Thomas and Lorna Quinn who were with the team in the fall. Hopefully their goal to cheer Mendon toward success has been accomplished; many hours of work has been invested to keep the tradition going.

Indoor Challenges the Best

Chris Smith races to the top

Indoor track never pretended to be anything but a preparation for spring track. However, the two sports can hardly be compared. First, indoor meets occur on smaller tracks with fewer lanes. The turns are tighter and the times are slower. The indoor event distances are different from outdoor and the meets are not scored. Finally, because each meet includes more than a dozen schools, the best competition is always available.

Much of the team spent the indoor season trying to improve their form and lower their times. A number of team members, however, were able to run with the best in the Section. They included John "Swami" Horkheimer, the best two-miler in the area, who, unfortunately, was injured just before Sectionals; Chris Hill and Doug DeLaMater, two of the top sprinters in the area; Chris "Rummy" Smith, one of the top-ranked milers; Linda Gryski and Mary Jo Wien, 1500 and 3000 meter runners; Jenny Brick, 300 and 600 meter runner and hurdler; Nick Wilt, hurdler and middle-distance runner; and Tyler Ricks, middle-distance runner. The team lost many people to other sports, including Nordic skiing, basketball, and television watching.

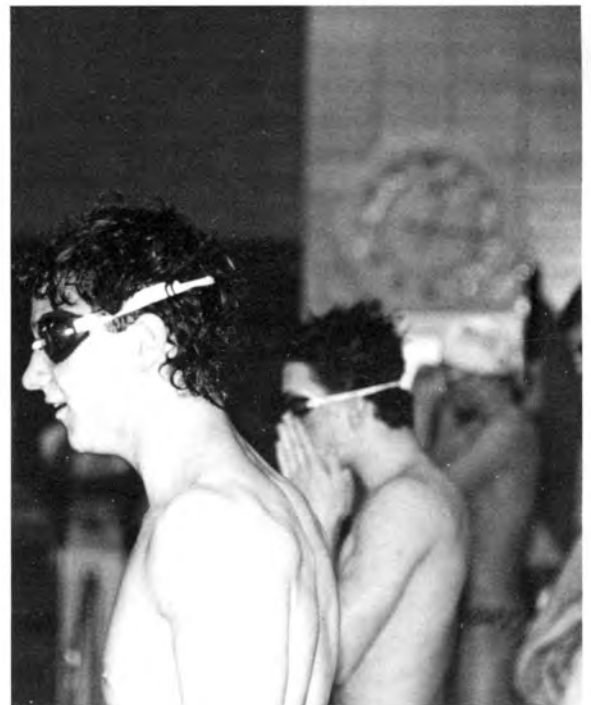

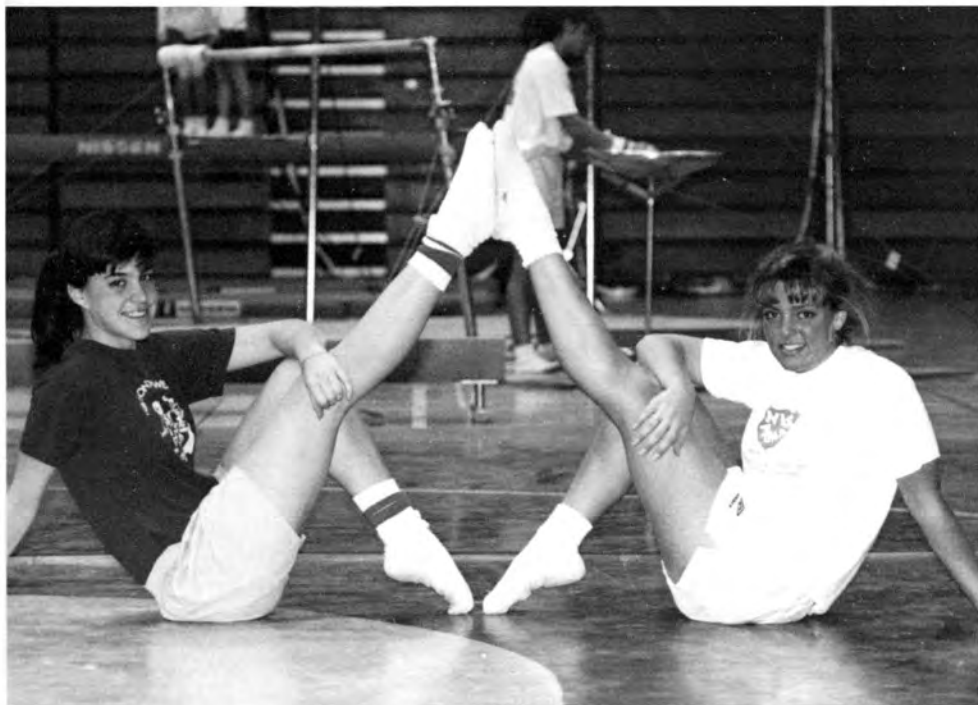

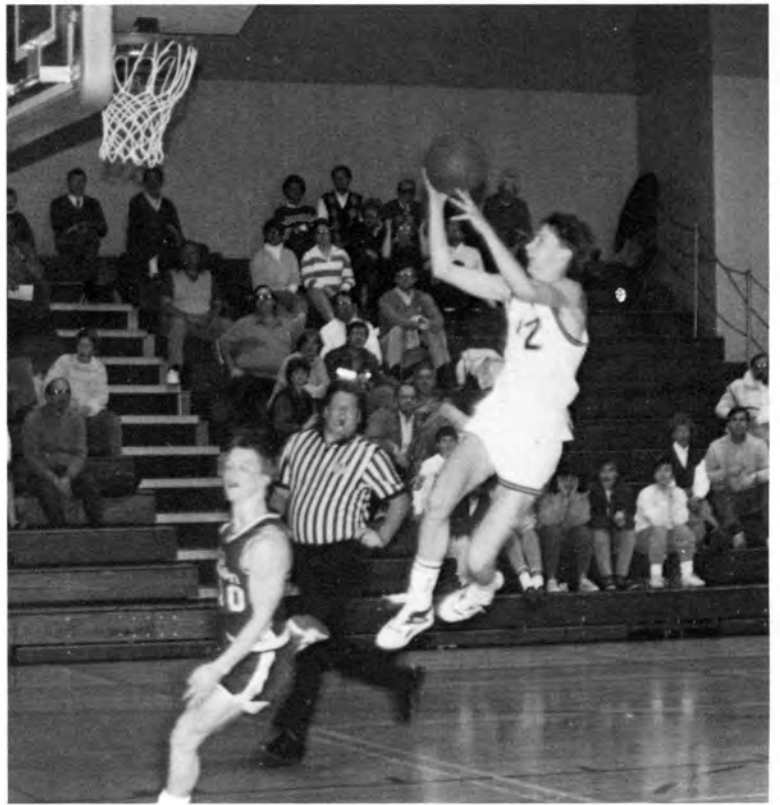

The season must be counted a success. New-comers garnered experience and veterans got to run against the best in Section V. The outdoor team was much improved thereby.

FRESHMEN FIRST IMPRESSIONS OF MENDON

Even though they were all experiencing the same things, the Freshmen had a great variety of impressions of life at Mendon. They ranged from "Mendon is huge!" to "It's puny!", "I love it!" to "I hate it!".

There were some frightening impressions. For instance, "I'm too young to die!", "Everyone hates freshmen", "I'm never going to make it through the year!", "The food stinks!", and "The Seniors are out to get us!".

Eventually, the bad ideas about Mendon changed as they realized what a great place it is. The most common thing said about Mendon was, "It's great!", "It's wild!", "Freedom", "Cool", "Party", and "Older guys/girls are better!" (Emphasis on the last one.)

FRESHMEN START OFF STRONG!

No one expects much of Freshmen when they first enter high school. This is especially true of the float contest during homecoming. This year, the Freshmen surprised everyone by planning everything ahead. They had worked so hard before the actual night of the float decorating party, that they were the first ones finished. All of their hard work payed off the next day. Then they managed to win second place in the contest.

The Freshmen once again showed their spirit during JAR WARS. Despite falling to as low as fourth place, by the end, the Freshmen pulled themselves up to second place. Although their representative, Greg Hansen, still had to get a pie in his face for not placing first, the Freshmen showed they were a force to reckon with.

With two second places already under their belt, the Freshman class has little room for improvement in the future. Good Luck!

SOPHOMORE CLASS

Sophomores at Pittsford-Mendon are known for their class. Ever since they entered high school, they've been making their mark on campus. They are the spirited underclassmen with all the good ideas. They're the class that has the most diversity . . . from intelligent to athletic, or artistic to humorous, the class of 1990 has it all!

Their first activity as Sophomores was the homecoming float. Although the Sophomores placed a disappointing third, it was something never to forget. The live Viking, Joel West, was something never seen by Mendon students before.

Later on in the year, the Sophomores took a proud third in JAR WARS, raising between \$500 and \$600 for Henry the janitor. Their representative, Stephanie Sayers, got a pie in her face, but was proud of what the Sophomores accomplished.

With two years of their high school careers left to go, the Sophomores promise to be a valuable asset to our school.

JUNIORS IMPROVE!

This year, the class of '89 was determined to finish higher than fourth in the float contest as they did the previous year. With a lot of thought, they came up with an idea for an ice cream float filled with balloons. Although it had little to do with the theme of "2088", with some hard work they had a chance of winning.

There was a problem they had not counted on. The dozens of balloons the juniors had filled with helium the night before the game all deflated. This left them with a gold car, streamers, and fourth place.

By the time JAR WARS came in November, The juniors knew they had to win to preserve their dignity. With Matt Pelino as their trusted leader to show them the way, and some generous contributions, the juniors raised 900 dollars and won by a landslide. Finally the juniors could hold their heads high.

JUNIORS WE'VE COME A LONG WAY!

Can you believe how much we have accomplished this year? The Junior year is the toughest academic year in high school, but we still managed to pull through. First came the PSAT's. Then the SAT's rolled around. These made us realize that college was not far away. We had to maintain good grades all year and deal with Regents exams at the end.

As if increasing academic pressure was not enough, most Juniors tried to hold down part-time jobs. Whether delivering pizzas for Pontillo's or ringing up orders at Wegman's, we found ways to bring home money. After we got our paychecks, we spent the hard-earned wages on movies, rock concerts, or clothes.

With our Junior year coming to a close, the class of '89 is looking forward to what will be the best year of our lives. Way to go Juniors — we are there!

Q: What is your favorite medium?

S: Pastel, although marker is a pleasure; charcoal, pencil acrylics and oils are up there, too. My choice of materials depends on the effect I want.

C: I like pastels; they are versatile because they create different effects. They are also messy, and I like that while I'm working.

Q: Favorite work of art?

S: The 4' by 5' oil painting by Hornyak. It uses energized impressionist techniques; she effectively captures the mellow mood of blues music, so there.

C: Statue of Liberty. It shows the feelings an artist had in accomplishing something phenomenal.

Q: Serious quote?

S: Practice makes perfect.

C: "Today is the first day of the rest of your life."

Q: Aspirations?

S: I hope to be an incredibly successful cartoonist someday, but I'll settle for semi successful if that is all that is available.

C: I hope someday to make a classic, artistic contribution to the world.

DEREK SHIELDS

JENNY GETER

Q: What do you like best about Mendon?

D: Cold Shower and the Sprinkler.

J: You can have a good time and get a good education.

Q: What do you like least?

D: The Chokers.

J: People sticking to their own friends; not everyone talks to everyone else.

Q: Serious Quote?

D: If there's a will there's a way.

J: In unity there is strength.

Q: Aspirations?

D: 1. Marry and have a family.

2. Be successful in my career, possibly business.

3. Be a Showerhead for the remainder of my life.

4. Have the **Sprinkler** flourish into a competitor of **Rolling Stone**.

J: To become a child psychologist — help kids and make good money.

Thank you for being a friend
 Travelled down the road and back again
 Your heart is true
 You're a pal and a confidant . . .

Well we know where we're going but we don't
 Know where we've been
 And we know what we're knowing but we can't
 Say what we've seen
 And we're not little children and we know what
 we want
 And the future is certain — give us time to work it out
 — Talking Heads "Road To Nowhere"

Making your way in the world today
 Takes everything you've got —
 Taking a break from all your worries
 Sure would help a lot . . .
 Wouldn't you like to get away —
 Sometimes you want to go
 Where everybody knows your name
 And they're always glad you came
 You want to be where you can see
 The troubles are all the same —
 You want to go where people know
 People are all the same —
 You want to go where
 Everybody knows your name.

Did you know that before you came into my life
 It was some kind of miracle that I survived
 Some day we will both look back
 And have to laugh
 We lived through a lifetime
 And the aftermath
 — This is the time to remember—
 cause it will not last forever
 These are the days
 To hold onto
 Cause we won't
 Although we want to
 This is the time
 But time is gonna change
 I know we've got to move somehow
 But I don't want to lose you now . . .

Well I remember my old neighborhood,
 Everyone there, well they understood.
 You can wind up stranded in the lost and found,
 So you'd better stick together,
 If you want to stick around.
 Me and the boys got our own little plan,
 Somebody out there, well they'll understand.
 And we'll have the world in the palm of our hand,
 'Cause I never walk alone,
 And I take care of my own.
 I never walk alone.

— Heuy Lewis and the News

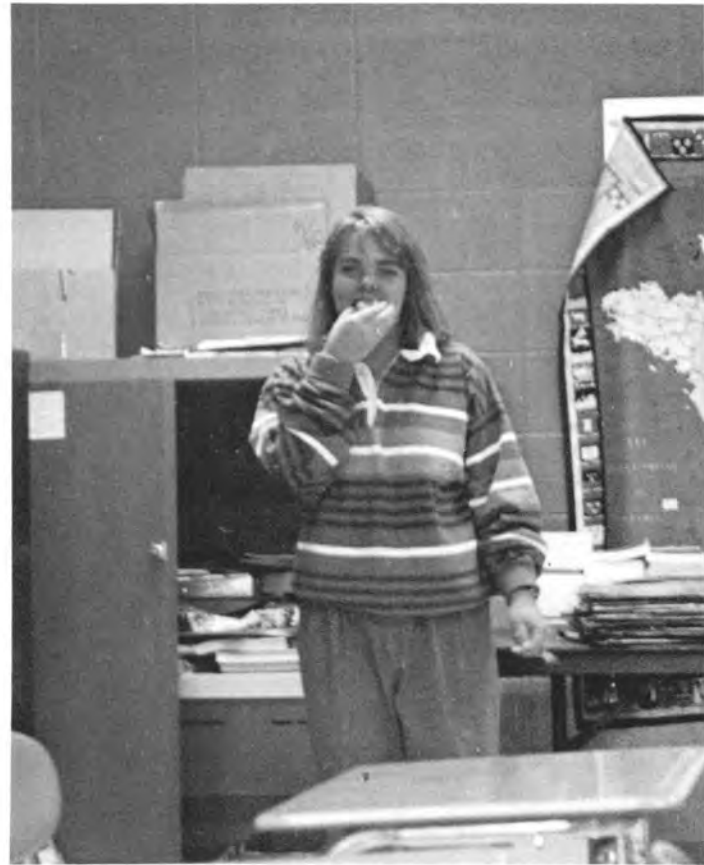

THE PAST

The debt is paid,
 The verdict said,
 The Furies laid,
 The plague is stayed,
 All fortunes made;
 Turn the key and bolt the door,
 Sweet is death forever more.
 Nor haughty hope, nor swear chagrin,
 Nor murdering hate, can enter in.
 All is now secure and fast;
 Not the gods can shake the Past.

— Ralph Waldo Emerson

that seem like just yesterday? "On - Look. Megan + Marcy" - Ben Apparat! ^{sp?}
 Anyway - so much for memories. Listen Jason, I don't know why - but we
 haven't been seeing that much of each other lately. I want that to change
 this summer - & we should allot special times - at least once a week
 to go out alone - really. & Remember Jason you are a very special guy. you're
 very good-looking, very smart, cool, you have a lot of friends & girls love you.
 you have a lot going for you. Try not to get depressed about things - because
 usually a month later - it all seems trivial. This summer I want to do

lots of crazy stuff & go totally BA-JA! The fuego is the start of a new era.
 {SEN IO R SPOO} I can't believe you didn't know about my garage!
 Anyway, I'm still waiting for my bouquet from ! So Jason.
 Please, lets not let things change between us. I ♥ U! *el

Yo Baby Baby

God, Jason, I don't know where to start. First and foremost, you are one of the most important persons in my whole life - more than just a friend - and I hope you realize that and I pray that that doesn't change. Remember way back with Mr. "let's rev it up one notch of difficulty" Shannon? I never expected I'd feel so close to you. Our memories are countless. Last summer was so far the best time of my life & you played a massive part in it.

A Time to Remember

We did every-thing together & I really hope this summer can be the same. I will always remember the good times we had in the Shelby - it feels like one of my friends (now gone :). Thank you so much for all you've done for me. You always make me feel special and that's hard to do. Thanks for all the moral support. By the way, I think you know, whenever you need someone, I am there for you. I really love our class phone conversations (although I think another one is due, soon). I was happy that you came to me to ask about Maury & that you told me about it. However, I see I wasn't the only one who knew. Anyways, thanks for the parties, and the physics help. (Love you A.P. next year - it's your fault!) Remember those rumors about Mike A. + me? Thanks for believing me - it helped. Remember when you told Andy McClure that I liked him? What a MESS! Thanks for the help! Anyways, my family loves you. Even my Grandma + my Uncle love you - you should probably just move in! I'm surprised my family hasn't arranged our marriage yet! Thanks for spending the holidays w/ me. Like Thanksgiving day, Christmas day, Easter etc. - Remember for a while when you thought you liked K.F. or J.M. or K.H? I was always right behind you. & I always will be (Just don't fail!) (I am that was gay) - anyways, about this serious thing, I'm still right behind you - even though you're making a BIG mistake. (Now you're saying, "I'll show you big") Remember our great talks about people? Such as Tim when he started to "fit in" (a rhyme!). Oh God - how about this? -> the

June 25, 1988. 10:00 A.M. The Class of 1988 will graduate from Mendon in a ceremony at the Rochester Riverside Convention Center. This color closing section is new; it is here to help you remember fond memories of old. As you finish reading this yearbook, remember all the times you had at Mendon. The times you felt happy, sad, proud, and nostalgic. "It was the best of times, it was the worst of times . . . said Dickens in **A Tale of Two Cities** and this can be applied to all of our times here at Mendon. Whether the times were good or bad, they were the only four years of high school that we will ever have. They are the times to remember.

I was "loose" (No comments please) - What about New Year's? That was the start of you & "Bimbo I" - what about the switcheroo? - It was great advising you on all that. Only thing, though, I never told you this, but I was with you to the Valentines Dance - oh well, maybe next year - I'll talk! Buddy had some awesome parties this year too - Only thing is - at parties nothing said there matters. It's weird how I feel I know some SPOO so well - but only b/c we had our conversations filled aided by Beer. But not you + me - I think we do better w/o it. Anyways, I remember skiing & the Speakeasy (not together) - winter memories. [I hope you don't mind me writing so much - sorry I'm on a roll] Another one - Dressing up at Tim's Christmas night - Thanks for advice on Port Obien. By the way - what happened to us for the Prom??? I'll never really understand that. Anyways - remember Dinner - what a blast! Seafood Stuffed Shrimp! Remember that movie we saw at Easter? Doesn't go to pg. 166! ->

JAR WARS!!!

For six days in November, six jars were in the commons ready to have money deposited inside of them. The competition between classes was called **Jar Wars** and was sponsored by the Student Council to help raise money for Henry Leo.

The fundraiser was the first of its kind ever attempted at Mendon, and after weeks of preparation, it began with students putting pennies in the jug of their own class, and sabotaging the jugs of other classes by depositing silver coins or bills. The winner at the end of the competition had the honor

of throwing pies in the faces of representatives from the other classes, the faculty, and the administration.

At the beginning of the competition, the Seniors were ahead, but their lead was short lived. By the end of the competition, the Juniors had won, followed by the Sophomores, Freshmen, Seniors, Faculty, and lastly the Administration. The total amount raised was over \$3000 and was presented to Henry Leo in an assembly at the end of the day on November 25.

After presenting Henry with the check, the pies were ready to be thrown. Junior representative Matt Pelino had the honor of putting pies in the faces of Senior representative Shawn Ryan, Sophomore representative

Stephanie Sayers, Freshman representative Greg Hansen, Faculty representative Mr. John Denison, and the representative from the administration, Principal Mr. Stephen Stoller.

Mr. Leo was chosen as the recipient of the money because he had worked at Mendon for several years and because of a struggle with diabetes and the amputation of his leg he had been kept away from work. Henry was always ready to help with anything the students needed done, and the Student Council thought he was a worthy recipient. Said adviser Mrs. Linda Litchfield, he is "a warm, kind man, always ready to help."

The success of **Jar Wars** seems to indicate the generosity of Mendon students, and shows that another event like it could be repeated with success.

Time's Up!!

The whistle blows. You know that's it. Time's up, and there is no more time to score again, to tie the game and send it to overtime or shootouts. This scenario is dreaded by athletes, yet it happens more often than they'd all like to admit. For the boys' Soccer team, a little more time could have meant a goal to tie Sutherland and go to shootouts.

But there wasn't any time left. For students at Mendon, the Senior year is when "time's up" and one has no more time left at Mendon. Though the times at Mendon and experiences are gone, the memories will always be there. Everyone, including athletes, knows how it is to not have enough time. Time's up for the game and the year.
